HEAVEN WANTS DOMINION

Chapter One

Do you know the laws of the heavens? Can you set up God's dominion over the earth?

—Job 38:33

The King's Dominion, Jesus' Dominion or God's Dominion is about the Kingdom that is making its way to the earth. Many already live in this Kingdom and operate in Kingdom principles. That's why Jesus preached about the Kingdom. God gave this earth to His children to bring His Kingdom to earth.

God pushed the enemy out of heaven and he fell down to earth. God made man in his image to have dominion over the earth and through Jesus destroy the works of the devil (1 John 3:8). The children of God who live in this Kingdom daily are not affected by the world, but affected by the heavens.

Jesus came to the earth, as a demonstration of the Kingdom to push back the enemy and to take back the territory that was lost to the darkness, to allow the children of the light to continue to do good, heal the sick, raise the dead, set free the captives from depression, possession, suppression, every form of control and manipulation.

Jesus liberated the people, He set them free from this world. Jesus preached the Kingdom, He lived in the Kingdom, He demonstrated the

Kingdom, He manifested the Kingdom, and He walked in the Kingdom. He made a way for people to receive the power and anointing of the Kingdom, the glory and wisdom of God.

This is what God wants to do in your life today. His kingdom is coming into your life. The Kingdom of heaven is already in your life, if you believe. The Kingdom of God is within you. Who is within you? Christ in you the hope of glory (Colossians 1:26). Who is He? He is the King of glory.

Psalm 24:9–10 Fling wide the gates, open the ancient doors, and the great king will come in. Who is this great king? The triumphant Lord —he is the great king!

God's Word says open up the ancient gates. God is talking about your heart. As you open up your heart and let Christ in, who is within you, His presence increases and the Kingdom intensifies all around you. The Kingdom of heaven invades the earth, the ground which you are standing on. The Kingdom which is within you, will manifest the glory in you, through you and Christ in you is the hope of glory.

God wants heaven to invade the earth through you. In Revelations it's mentioned that God will consume Satan and all his forces with one breath. But until that time, God gave authority to man to exercise that dominion of Kingdom authority, primarily through prayer, that produces faith to believe that all things are possible with God.

Kingdom power breaks the schemes and plans of the enemy, to dismantle the purposes of the enemy who wants to steal your peace, kill you, destroy your family and relationships. But God wants to establish and enlarge the Kingdom of God on this earth through you.

Our Daddy God wants to enlarge His influence over all His children, nations and generations of the children of God, territories, every mountain and valleys, cities, towns that will manifest the Kingdom of God. Jesus went on declaring the Kingdom. God is demonstrating His Kingdom and releasing His power.

Today you and I are called to declare the Kingdom, even when Jesus taught His disciples to pray, He said your Kingdom come and your will be done on earth as in the Kingdom. When we operate in the Kingdom, God's will is established in our lives.

Everything in the Kingdom is perfect and God wants that perfect thing to manifest on earth through Jesus and through His faithfulness. As you allow Christ to live in you, the presence of heaven is released all around you. As you continue to gaze at perfection, you yourself will become perfect.

That's why we could see Peter's shadow that carried the presence of heaven caused healings to happen. Peter operated in the perfection of heaven, because he knew the mysteries of heaven.

In heaven there is no sickness. So when you are overshadowed by heaven, the masterpiece of heaven, Jesus, the center of heaven, seated on His throne, at the right hand side of God, sickness cannot stand in your presence, because of the presence of God within you.

JESUS NAME ABOVE EVERY NAME

Chapter Two

You have been raised to life with Christ, so set your hearts on the things that are in the heaven, where Christ sits on his throne at the right hand side of God.

—Colossians 3:1

We always read the gospels but miss the portion about how Christ is today, that's the portion that is missing in the Church today. The Church sees Christ as helpless, lacking power. The Church has lost its power, because they have lost their first love (Revelation 2:4). They are lovers of self, sin, greed more than lovers of God.

The Father however has raised Jesus above everyone, everything and every name (Philippians 2:9). The moment our eyes see who Jesus is today, that He is above everything, you bring heaven on earth, and then you know the power of Jesus within you.

That's why we are called to set our eyes on the things that are above, not the things on this earth. This is essential for us to walk in the Kingdom. Nevertheless, we do not undermine what Jesus did on the cross, everything is equally important.

What is equally important is who He is and what Jesus is to us today. That He is the King of Kings, the Lord of Lords, that every knee shall bow and every tongue confess, that Jesus is Lord. His voice will break the shackles of the enemy of sin and depression over His children.

How can His voice bring about an earthquake? that kind of thunderous voice. We have to believe and see Jesus as the glorious risen Lord. The people who encountered Jesus as the glorious risen Lord are the ones who are able to walk boldly like the apostles Peter and Paul.

As we encounter the risen Lord daily in our prayer time and in our daily living, through his *Word*, we are able to walk boldly defeating every obstacle as our feet walk on holy ground. Where you walk, you are walking on holy ground because Jesus is with you and in you (Matthew 1:23). You will lay hands on people and see the manifestation of God healing the broken hearted, the sick and the downtrodden.

John in Revelations, the disciple that Jesus loved, saw the glorious eyes of Jesus, a fiery blazing eyes. He fell down like a dead man because he could not stand the glory, magnificent royalty, power and His heavenly kingship. The king of all kings, holding all glory and power. Not one king on this earth can match up to His majesty and fiery throne, thunder and lightning emanating around Him.

To see this majesty we fix our eyes on Jesus and allow our faith to grow. As the Kingdom of God takes priority we envision the risen Lord daily who is on His throne at the right-hand side of God. In the Spirit we see this glorious God and God will manifest himself in the physical realm. This is where we encounter His breakthrough first in our intellect, will and emotions, God stabilizes our emotions first, with the faith of His Son.

At this point we have access to heaven through faith. Jesus always saw His Daddy Father God, do things and He did it. Today you can see what the Spirit of God is speaking and showing to you. In your spirit-man you will see what is going to happen and understand all situations around you.

Your spirit-man is saved first, the moment you were saved, by accepting Jesus as your Lord and Savior (Acts 16:31). The Bible says be transformed by the renewal of your mind. (Romans 12:2). Your soul needs to be renewed by what God has deposited in your spirit through His *Word*. God has blessed you with every spiritual blessing in your spirit.

The heart further needs to be guarded from every useless thing that has no value to our spirit-man. So guard against unforgiveness, hatred, resentment, rather be compassionate, show kindness, humility, gentleness and patience to others (Colossians 3:12).

By believing and knowing the Kingdom that has been deposited in your spirit, you access it by faith. You tap into heaven because your spirit is seated with Christ in heavenly realms. You operate in that dominion, in that dimension and frequency and you have the authority and power as an adopted son and daughter of God, ambassador of Christ, a royal priesthood who carries the dominion of the king in you.

No sickness or poverty will affect you because you know your Daddy God. You know how to tap into healings and tap into His supply for your needs. Every time there is a need, instead of fear or anxiety, your eyes are on your Daddy Father God, calling out "*Father my Father*". God responds, he says, "*My hand is not too short that I cannot save, neither is my ear, so dull, that I cannot hear.*"

SIGNET RING

Chapter Three

“On that day, says the Lord of Host, I will take you Zerubbabel, Son Shealtiel, my servant and wear you like a signet ring: for it is you whom I have chosen. This is the word of the Lord of Hosts” —Haggai 2:23

When Nehemiah wanted to build the broken walls of Jerusalem, the King gave him a signet ring, a signature of the King written on it. Today, the signature of Jesus is in your DNA, is in your blood, in your body, in your soul and on your forehead.

So wherever you go, you wear the signet ring of the King Jesus on you. The demons will tremble and they bow down before you. They will completely flee, sickness will retreat, every crisis you will overcome and every poverty will be broken. Your spirit that is wounded will be healed. Every wicked and sinful spirit will run away, because you have the signature of Jesus.

Always keep your armor of faith in front of you so that the enemy cannot penetrate your mind with doubts and sin, because your shield of faith is up and that deflects all the burning arrows of the evil one (Ephesians 6:16).

Hebrews 10:10 Because Jesus Christ did what God wanted him to do, we are all purified from sin by the offering that he made of his own body once and for all.

On the day of salvation your spirit is redeemed once and for all. In Hebrews it is written several times your spirit is redeemed "*Once and for all*" by the blood of Jesus. You have been forgiven and set free forever.

But, your mind has to stay on the Lord on his throne, renewed and transformed. Transformation means a caterpillar is transformed into a butterfly, a butterfly cannot be transformed back into a caterpillar. This kind of transformation is where you will not want to be a caterpillar again.

You will not want your former life that was filled with anxiety, depression or addictions, rather you prefer the permanency of Jesus DNA in you. That's why Paul in Hebrews says fix your eyes on Jesus, who pioneers and perfects your faith.

Once you are transformed you will not go back to the caterpillar, but there will be those who doubt their salvation, deceived and lied to by the devil, whose only weapon are lies and schemes. Most children do not know the power that has been given to them through Jesus.

Once transformed, you will walk in a transformed life, assured of your salvation and have hope for the future. Transformation is when a baby is transformed into an adult. I cannot go back to my mother's womb, my life is transforming and growing every day. God's transformation will set your life into a different level.

However, the enemy will always try to tell us that we are still a worm by lying to us and leading us to sin. By causing us to believe we are still a baby that we will never measure up to be a mature Christian with power to speak life, transform and break all former addictions.

God is telling us no turning back, we have to also believe and speak to our inner selves “*No turning back but pressing forward by looking at Christ only*”. Reminding ourselves always that in God's Kingdom it is about progression into the Kingdom and not remission back into our old dead life.

Revival is different, revival comes and goes. Many revivals came in history. Revival is waking up a man who is sleeping. Then he is awake and gets several things done and goes back to sleep.

In this spiritual heavenly realm we have access to heavenly miracles through faith. That's why Jesus said the one who acts against the faith is unbelief. Unbelief is the enemy. The only obstacle between you and heaven invading and manifesting in your life on earth is your unbelief. This limits God and changes your perspective, which causes you to withdraw into the depths of depression.

Last week in one of my live sessions, one lady had a lump in the neck, she heard the *Word of God* that your delay is over. The lump decreased in size and the next day in the morning it completely disappeared. How did this happen? Every unbelief of hers was gone. Faith was imparted as she heard the *Word of God* and her faith was increased and heaven invaded her neck to make the lump disappear.

Many of you reading this book your cancer is going to be removed and completely disappear. You will see a good report. Your delay is coming to an end. Your waiting season is over. Because heaven is full of action and vibrant colors. Before the throne of God, the sea of glass mingled with fire and angels worshipping day and night.

God through Jesus connects you to heaven through faith. Today, you have access to heaven waiting to deliver your miracle. Jesus said the worshippers are worshipping from this mountain, but the day is coming where worshippers will worship from anywhere and everywhere.

The angels will ascend and descend because the presence of God is in you. Where the presence of God is the angels will surround that person who believes. Today, the manifest presence of God will be revealed through you.

You will walk as a son and daughter and show the signet ring and show the signature of Jesus in you. When the enemy knows you have the signature of Jesus in you, he has no place to go but flee.

Jesus has to be in front of you, keep your eyes on Him. Remember the eyes of the sheep that are on the Shepherd will never get lost. The ones who get lost are those who take their eyes from the Good Shepherd Jesus.

Jesus has the final say. It doesn't matter who you are or what you have done, legally you are free. Legally Jesus is setting you free. Because He takes the legal battle, there is no ground for the enemy to stand on. Jesus did that for us, when He fulfilled His mission on the cross.

Jesus through His sinless and blameless life, took the position where the enemy cannot find any blame. You and I have the blood of Jesus that does the same thing that when the enemy comes there is nothing he can do to you, because you are sold out for Jesus and bought by the blood of Jesus.

The signature and nature of Jesus is upon you. Command the sickness to leave, by the stripes of Jesus I am healed. That poverty spirit should be broken right now. The emptiness spirit should leave right now, for heaven is full of joy and heaven is in me. Call upon your daddy, “*Abba Father*” is enough for the sickness and emptiness to flee.

How can I be in a state of sorrow? When heaven is invading my life, right now. How can I be in a fearful situation when there is no fear in heaven? Heaven is the boldest place in the universe. You are bold, courageous, and victorious. You are amazing, marvelous and wonderfully and beautifully made by God.

Are you treating yourself unworthily, as if you are not qualified? God qualifies the disqualified. If you are going through a season and cycles of curses. Today, the curse is breaking in your life, the delay pattern, sickness pattern is breaking. All your struggles are breaking. Heaven is waiting to bring you an amazing blessed cycle in your life.

Declaring the kingdom of God is what Jesus did. He destroyed the works of the devil. He preached the good news. He delivered the people and set the captives free. He healed the sick and raised the dead. All that He did was a kingdom manifestation and you will do the same, as you start living in the Kingdom.

Why do people give up? Because they want instant results. You have

to sow a season of declaration first, presence, hope, faith, heavenly focus and then you will see a season of reaping God's presence and glory and then miracles will flow.

Prophecy is coming true, because what we see in the Spirit of God is coming true. Whatever we see in the spirit it is a done deal. No more effort, nothing is needed. Just believe and walk in the prophecy.

Today, Jesus has crushed the head of the enemy, you need to know the complete truth and the truth will set you free. Many a time we blame the enemy for delays, not being healed or some crisis or challenges, family issues. Don't blame the devil, rather blame yourself for your ignorance of God's ways.

We have more authority than the enemy, however the enemy has more patience and is cunning. He always lies to us that it will not work, so do not waste your time. Remember, you sow first and wait until you see the season of reaping. The longer you wait, the greater the season of reaping and greater power.

Before Jesus started His ministry, the enemy came to Jesus and said all authority is given to me, if you will bow and worship me, I will give you the keys to power and riches. The Father decided that Jesus had to die on the cross, to retrieve the keys that were once in the hands of the devil, to crush the head of Satan.

Jesus crushed the head of Satan at Golgotha, which means the place of the skull. When David cut Goliath's head it was buried at Golgotha. We see the blood from the cross of Jesus penetrate into the mount of Calvary that crushed the skull and the cross crushed the head of the

enemy. His heel literally crushed the head of Satan. Jesus stripped the power of the enemy. That's why Jesus said it is finished.

Colossians 2:15 And on that cross Christ freed himself from the power of the spiritual rulers and authorities; he made a public spectacle of them by leading them as captives in his victory procession.

Jesus won the victory, the dominion and power, stripped the enemy of his power and made a public spectacle and had a victory procession. Completely dismantled the powers of the principalities and took the keys by force as the resurrected Lord.

If you still see the Lord casting out demons, you are missing something. I want you to see the risen Lord who has the keys of hell and heaven. Jesus said all authority has been given to me fulfilling the prophecy that of the woman her offspring and yours will hate each other, her offspring will crush the enemy's head and he will bite her offspring's heel (Genesis 3:15). Jesus has crushed the head of Satan.

The moment Jesus died on the cross, the blood of Jesus was poured and the wrath of God was satisfied. It pleased the Father to crush His son for your sake and my sake (Isaiah 53:10).

Those who believe in Him, God works all things for good to those who love Him and called according to His purpose (Romans 8:28)

SEER ANOINTING

Chapter Four

Formerly in Israel, if someone went to inquire of God, they would say, "Come, let us go to the seer," because the prophet of today used to be called a seer.

—1 Samuel 9:9

God is giving you a rich faith to tap into heaven on earth. You will tap into the heavens. Your spirit is completely healed, completely whole by believing and removing all the unbelief, that the Lord has finished it on the cross. Your mind is starting to be renewed as you are hearing right now, your mind is refreshing, your healing is starting to manifest right now. All your shackles that bound you are broken and you can see with clarity.

Your spirit-man is opening up, right now you are in a restaurant, listening to the *Word* and feeding your spirit-man and your mind enriched, renewed, transformed. Like your body that gets strengthened and nourished, refreshed, the same way, you are receiving in the spirit and your mind is renewed.

Your spirit-man is so happy and joyful as it receives a message from the Kingdom. Your spirit is rejoicing because your spirit is saved, that's why you are reading this book. Your spirit is well fed and God is feeding your spirit enriching you, your mind is enlarged, your vision is

furthered and you will see things in your spirit more realistically. Then it will manifest in the physical realm.

This is the prophetic realm, what we see in the spirit we release it to the physical realm by faith. We do not guarantee, but we see it in the spirit and we release it by faith and it will happen just as you believe.

How it happens is, you practice by training, by starting to see. God wants you to be a seer, there is a seer anointing that is coming upon you right now. God wants you to see things. Jesus saw things and then there was a manifestation in the physical. God wants you to see what the Father is doing in heaven.

Without knowing, by seeing what is happening in the heavens, you cannot see what is happening on earth. Rather, you become clueless here on earth without seeing. You become a homeless wanderer, lost and wretched.

In the Spirit, as you see what Jesus is doing, (Read the Gospels) you have access to the heavens through faith. The enmity of the seed of Mary virgin birth bringing forth Jesus was settled at the cross. As Jesus stripped the enemy of his power and authority. He crushed the head of the enemy and He declared He has all authority on heaven and earth.

First Jesus saw in the spirit, then He saw it manifest in the real world. Abraham saw he would be the Father of all the nations. His descendants would be like stars and like the sands of the earth. Then this promise manifested on the earth and promises fulfilled. Hebrews talks about Abraham's faith.

The Prophet Elisha's servant was alarmed to see the Syrian army surrounding the town. So Elisha prayed to God to open his spiritual

eyes to see that they had more on their side than those with them. The servant was astonished to see the hillside was covered with horses and chariots of fire all around Elisha.

Every day, exercise your spiritual eyes to see the armies of heavens surrounding and defending you. Hallelujah! See the Kingdom in your spirit and you will manifest the Kingdom in your living. No eyes have seen and no ears have heard what God has planned for those who love him (1 Corinthians 2:9). Continue to love the Lord by giving Him more attention.

He wants your eyes on Him so that He can impact you, with His big and small miracles to increase your faith and walk in your destiny. He may be preparing you to be a righteous politician, lawyer, doctor, and businessman. If your attention is on the Kingdom, you will see this future plan in your spirit-man.

Jesus got the revelation of what God is doing on the earth. Jesus always went away to recharge by looking unto His Father for strength and guidance. We must also recharge, away from our busy schedules, to see with our spiritual enlightened eye and then we walk in it. What we see in the spirit will be followed by the results.

It is simple and not complicated. It is the revelation of knowing what the Spirit of God is going to do. When we see in the spiritual realm, it has already taken place. You just have to walk in it.

If you are in the covenant, the signature of Jesus is upon you. The enemy cannot even give you a dream to threaten you. You are a threat to him, the moment you know who you are and whose you are, the

signature of Jesus is upon you. Your spirit-man is continuously being well-fed, not dying.

Stop watering the plants in your house for two weeks and you will see it die. When you continuously water the plants, they grow. In the same way God wants you to constantly build yourself up, train yourself up by continuously allowing God to pour the water of His presence into your life. If you stop allowing His presence to be poured into your life, you will die in your spiritual life too.

The spirit-man needs to be fed and enriched every day. When you are having a feast of the Word and His presence, a banquet and being empowered then you will see heaven. Every time you read the *Word* and gaze into heaven, you see the Kingdom.

For your life has been raised with Christ, so fix your attention on the things in heaven where Christ is seated on His throne at the right hand side of God (Colossians 3:1). Your mind and the spirit is always penetrating into the heavens.

Practice this Seer anointing 24/7. Don't give the enemy one second to penetrate your mind.

You will see what is happening in heaven and you will hear the voice of Jesus, the Father will speak to you. The Holy Spirit will reveal what needs to happen, as you believe, so be it on the earth.

As God kicked the enemy out of heaven, who was proud and arrogant and wanted to take the place of God. God drove Satan and one third of the fallen angels out of the heavens into the second heaven.

The atmosphere we see, the clouds and the rain that is the first heaven. The second heaven is where the enemy has been pushed out to and the third heaven is where God dwells. Jesus is there as the King of Kings, seated on His throne at the right hand side of God.

The enemy crossed the territory from the second heaven, to the first heaven and to the earth. God has given you the authority to kick him back to his place. God wants you to invade the earth with heaven. He wants the earth to be completely filled with the Kings dominion.

The dominion is already in heaven and the enemy dare not go to the heaven where the Father is. So on earth he looks for weak souls, who do not have the signature of Jesus, who are not saved yet. He goes in and inhabits their body and possesses the body and causes every issue, concerns, challenges. Problems are motivated by the enemy.

They are easily misled because they do not know the truth of the Bible, food and the water of God's presence. So the father of lies, will lie to them and lead them into addictions, misery and a fallen nature like their father the devil.

But, you are called to destroy the works of the devil through Jesus Christ by gazing at the Lord and declaring the enemy be sent back to his original place, the second heaven. Send him out, your environment should be cleaned up. Your family should be cleaned up by you first forgiving all people and walking in the fruits of the Holy Spirit (Galatians 5:22). The devil wants you to be preoccupied with unforgiveness so that he can bind you up in resentment.

The works of the devil are destroyed, when you forgive. To enter heaven, you need clarity and purity. Blessed are the pure in heart, for

they will see God (Matthew 5:8). All poverty, sickness and all forms of challenges are destroyed, when Jesus is lifted up and He draws all men to you.

Jesus became the curse so that the blessing of Abraham will come upon you. If the enemy is bringing the curse, you have the signature of Jesus to push back the curse. You have every authority to destroy the enemy legally, the legal rights God has given you through Jesus. Stand in that right and authority. Be bold your body is the temple of the Holy Spirit.

A body cannot be abused by sickness, fear or doubt, anxiety, worry, depression, addiction, barrenness, fruitlessness, when the Kingdom of Jesus is within you.

ABRAHAM'S ROOT

Chapter Five

*Since Abraham will surely become a great and mighty nation,
and in him all the nations of the earth will be blessed?*

—Genesis 18:18

How can a daughter of Abraham, born in the genealogy suffer the enemy's yoke that the woman suffered for so many years? How can this woman suffer for these many years? It's impossible and totally unacceptable.

Your root is that you are Abraham's heir, how can you be living in poverty, sickness, possessed by demons, tormented by demons, seeing the works of the demons there on your property. You belong to me, my book is upon you. Jesus could not tolerate that and you should not tolerate that either.

You need to know your identity! Once your identity is established in Jesus Christ and you know that you are a child of God, always gaze at your Father in heaven who is your true Father (John 1:13). Your vision is birthed, once your identity is established. Jesus is calling us to continue the work He started by destroying the works of the devil. We are called to destroy the work of the devil when we abide in the vine Jesus, to establish King Jesus' dominion on this earth.

The enemy has no power or dominion in heaven, except on earth. So we defeat the enemy in heaven and he will lose power on earth. Jesus said let your will be done on earth as in heaven.

The Father's will is that Satan has no dominion in heaven. The moment he tries to enter heaven he will be burnt with God's fire. Do you know what happens to the enemy when you are burning with God's fire? The moment God's will is done on earth for you my beloved, the enemy is defeated and thrown into the lake of fire, he cannot touch you.

The enemy has no dominion in heaven, so he does not have dominion on the place you are occupying because it is Holy Ground. You are a living Tabernacle, moving presence of God is with you. However, always remember the enemy will always lie to you, for he is the father of lies (John 8:44). He will lie, that the situation seems hopeless, that you will not measure up to God's standards.

God's standard is faith so take territory away from the enemy in your relationships, finances, ministry by believing in the truth of the Bible, by believing that with God all things are possible. That's why we keep our eyes fixed on Jesus. Wherever we go, the presence of God will go with us. In the Old Testament the people followed the presence of God. In the New Testament the presence of God is in you. Wherever you go, you will destroy the works of the devil through Jesus.

You have that anointing in you, the victory, the boldness, because Jesus stripped the power from the enemy and gave it back to you. You have the glory that you once lost. That's why the shadow of Peter could reflect heaven that brought healing, deliverance and breakthrough.

As you walk in that revelation, that Kingdom authority is in you. As you walk in the open heaven, you literally believe, as your unbelief and doubt fades away in His presence. You access heaven every day through faith and not by sight (2 Corinthians 5:7).

As we walk by faith, everything changes, your environment changes, your emotions and lifestyle changes, everything is victorious and successful. The Bible says Christ Jesus is leading us into a victorious procession, not even one will see the defeat of those who capture this revelation. God wants us to have success and be more than a conqueror.

In all seasons, keep your attention fixed on heaven, for the things in heaven will last forever. In the bad season hold on to your identity as an adopted son and daughter of God. Jesus will hold on to your hand until the end and bring you to a new season full of hope and joy.

God wants you to see the breakthrough and the delay to come to an end. And the threat of the enemy and the wicked spirits, addiction spirit to come out in Jesus name.

Keep on looking at the Son, for we know none of God's children keep on sinning, for the Son of God keeps them safe and the wicked cannot harm them (1 John 5:8). The key is, you have to stay in God's presence at all times with your eyes on Jesus and the season of deliverance and blessings will come in God's time and season.

There will be a battle when dealing with addiction spirits, the victors are those whose eyes, mind and declaration are fixed on Jesus and Jesus becomes your master. The losers are those who allow sin, addictions to be their master.

The choice is simple, make Jesus your master by gazing at him 24/7. when your eyes are on Jesus, the enemy has no place to maneuver, but fade away into his presence, destroyed and cast into hell forever.

ANOINTING TRUTH

Chapter Six

But you have an anointing from the Holy One, and all of you know the truth.

—1 John 2:20

As you are receiving the truth, the truth is setting you free, there is an anointing with truth, which is yoke breaking anointing that is setting you free. Touching and liberating, the signature of Jesus is on you as you are gazing at the Kingdom.

You are the living epistle, the Holy Spirit is giving you the revelation autographed by hand, the signature of Jesus. Don't get distracted by this world rather be distracted by heaven.

Every blood cell has one cell that is cross shaped, in other words Jesus has put His signature on you. Every cell is stating Jesus has finished it on the cross. Every blood cell is crying out victory, rejoicing victory, declaring out the victory. Hallelujah! Jesus has autographed on you.

You are an epistle of God. There is a book written concerning your future, put in the library of heaven and angels have access to this book waiting to activate by what is written in it and triggered by your faith.

When your mind is aligned with heaven, a mind renewed by the standards of God and renewed by your Father God, they know this is God's purpose. The angels are activated by the Father and the Son to give you aid.

The angelic ministries are activated in your life. Because your mind is aligned to the Holy Spirit, your spirit-man is feasting right now and your mind has transformed which is permanent.

For a butterfly cannot go back to a caterpillar. This transformation is perfect. Do not worry about falling down, rather just get up and gaze again at Jesus. Your name is righteous and that righteousness will never change. Jesus cannot undo His death, you cannot undo your righteousness.

God says you are righteous and progressing every day. Don't think about falling, rather think about Jesus and progression every day.

The enemy wants you to think about failure and falling into sin. Rather God wants you to think about Him so that you will not fall. Eyes that are on God and in heaven, will not fail or fall into sin, rather you will be victorious. Jesus and His heavenly army are full of fire that blocks the enemy.

God says even if your heart condemns you I am bigger than your heart (1 John 3:20). Look unto me, there is no place for unbelief.

There is no place for condemnation. Peter rejected Jesus and denied him three times and abandoned the mission and purpose, yet Jesus did not condemn him and he looked straight at him in his failure, as if to remind him of his love for him (Luke 22:61). *"That I am coming back for you to raise you up again for my purposes to be my rock"*.

Jesus does not condemn you, there is no condemnation for those in Christ Jesus (Romans 8:1) rather He is calling you to be righteous as an apostle. That is what God is calling you today.

You might be going through some crisis, situation or you are weak in your faith. You have made some wrong choices or decisions, do not worry. God knows your beginning and end (Revelation 13:22) because Jesus is the first and last, beginning and the end.

God knows that you will make the wrong choice, like King David who slept with Bathsheba's and had an adulterous affair and he even was responsible for the murder of her husband Uriah. Yet, the lineage of Jesus came from their son Solomon from this adulterous affair and God loved Solomon (2 Samuel 12:24).

God wants to show you what a faithful and merciful God He is to those who will repent and turn back to Him. That's all you have to do, is daily turn back to God and take territory away from the devil inch by inch, until you have taken miles from the enemy, it's a spiritual war.

So that you can walk in your destiny. God wants to rebuild your life, which starts with you being connected to God daily, consciousness of Jesus and heaven daily. Show compassion to people, be tolerant and you will walk in a glorious path attached to heaven.

As you are reading this book and watching my videos God is rebuilding your life. You were distracted, but now you are taking a detour back to him away from the mud and into a glorious heavenly life prepared by God, for those whose gaze is on heaven.

You will have a smooth ride, the angels are accompanying you. On

the outside you may think it's hopeless, however in the spirit your breakthrough is just around the corner.

If you could just see how smooth it is in the Kingdom, in the Spirit you would be amazed, because your attention is on heaven, not on your circumstances or difficulty. Everyday, you will rejoice living in the Kingdom.

Every need of yours is supplied by your God according to His glorious riches in heaven (Philippians 4:19). His grace, His free, unmerited, undeserved favor is with you, because it is about Jesus and not about you. Be a God centered person, not a self-centered person.

Declare that the enemy has no dominion in heaven over you and so be it on this earth. He cannot touch you because you are mindful of it daily and so God's will be done on the earth as in heaven, because you believe and do not doubt and so be it to those who declare so. In time, the enemy's influence over you will diminish and fade away as God's presence overwhelms your life.

Since, there is no sickness in heaven, so as in heaven so be it on this earth. What kind of faith do you have, do you believe that the blood of Jesus is on the doorpost of your house, that the angel of death cannot come against you and your family. That, the doctors when they look at you, they will give a good report. As you gaze at God, He will give you the tools to live a healthy life attached to the wisdom of heaven.

HEAVEN'S BEST

Chapter Seven

But as it is, they desire a better country, that is, a heavenly one. Therefore God is not ashamed to be called their God, for he has prepared for them a city.

—Hebrews 11:16

Believe in heaven's best and riches for you. Transform your life by attaching to heaven that gives you the strength to be the best person God has called you to be. Believe in heaven's best to defeat your flesh which is the earth's worst.

To do your best it's all about attachment, what are you attached to, is it the Father God, the Son through the power of the Holy Spirit? Or are you attached to the things that are destroying you. Daily attach yourself to heaven, this attachment to heaven will destroy your earthly desires.

Heaven's best is that you do not need to be sick all the time. You can tap into heaven for breakthroughs, for healings and prevention so that you do not need to be sick because your attachment is in heaven. Solutions are forthcoming and wisdom from heaven is yours to feed on.

This wisdom of prevention and healing is available to all who seek it, believer or non believer. God is fair to all who seek a healthy living. If

the Christians do not seek, he will make it available to others. This is God's way of making this information available for all who seek healthy living.

You can have access to heaven's best, heaven's riches, as it is in heaven, so it is available on earth for those who believe and declare it. As it is in heaven so is my body, because my body has the signature of Heaven. Heaven is deposited in me, heaven is open for me, the angels are ascending and descending.

There is a ladder going from my life to the heart of God and the angels are ascending and descending. My spirit is saved and redeemed by my Savior and by the stripes of Jesus I am healed, recovered, settled, empowered and I do not need to carry the sickness in my body, rather I carry Jesus who walked away with my diseases and poverty. He died for me to restore heaven's best. Christ in me is the hope of glory.

I am the temple of the Holy Spirit. Since the Spirit of Jesus dwells in my body, sickness cannot host in my body. My body is a host of the presence of God, because God wants to dwell in me. The angels will manifest their angelic ministry around my life. Every day as we walk in this heavenly focused way, no virus, cancer can touch you. No weapon formed against you can prosper. Heaven on earth has already happened.

When we believe, it is manifested in your life. How do you believe? Faith comes from hearing and hearing the Word of God (Romans 10:17). Right now you are hearing in your spirit as you read this book tuned in your spirit-man fired up with the glory of God, which is God's saving presence that delivers.

I declare that many of the cancers are disappearing right now, sickness is leaving right now. Illnesses are fleeing away right now. Disabilities are leaving right now and you are walking right in Jesus name.

I was praying for someone who had a disability, that person was about to apply for a disability, God showed me that person's leg is healed. God touched the root and said, I am healing that leg. What you see in the spirit, you can release it boldly. You do not need to worry about the result, or how it will be healed, you release what you see and heaven will manifest it on earth.

God wants you to see things in your spirit first and know that there is no sickness in heaven, as it is on earth.

There is no failure in heaven. Everything is successful, everything is victory, that's in the Bible, and Jesus is leading us into a victorious procession. You are more than a conqueror and not called to be defeated. You are called to be victorious. You are called to walk into that victory as you walk with the Lord. You have been given a crown of glory. God says my son and daughter walk into that victory, with your eyes on me.

Failure happens for those who listen to the lies of the devil, whose goal is to bring you defeat. Whatever you do, don't expect failure. You belong to the heavens and have the DNA of God. Heaven is full of success.

When you start a business, don't expect bankruptcy, rather expect victory, and expect success and divine connection. The Bible says, he

gives you the power to produce wealth. He is giving you power, strength, the potential as you see in Abraham's, Isaac's and Jacob's life.

He wants you to fulfill the vision, mission and purpose God has called you in the profession you have chosen to be a son and daughter of God. To bring heaven down to the earth where righteous children rule the earth with heaven's best by living by the standards of God, which is being happy and content in everything you do. You will want for nothing on this earth but in heaven and you will walk in Kingdom principles.

God is shaking the heavens, to bring overflowing blessings, super abounding grace, to fill your cup and overshadow you with heaven's best, filled with supernatural content. Your shadow will bless all the people who surround you as you rest in God's presence.

Some of you will see gold and silver, even in your faces, even precious stones not to sell and make money. But, to see His glory manifesting through you. Heaven is full of gold and silver, precious stones, manifesting on earth to reveal God's glory, to reveal heaven's best.

Don't be critical of what heaven wants to manifest, this is God's way of revealing His glory. God is always creating a new list of His glory to show heaven's best.

MANIFEST THE GLORY

Chapter Eight

Moses said, "Please show me your glory."

—Exodus 38:18

God's end game is to manifest His glory on this earth, so that all people will be transformed into His image. The Kingdom is all about glory. Whenever Jesus healed the sick, the glory of God would manifest in healing.

Jesus healed the ten lepers one of them came back and thanked Jesus. Jesus said this man praised and gave glory to my Father. While, the other nine did not. This is the reason why the healing happened in the first place. Healings happen to give glory to the Father. Miracles and signs and wonders happen to give glory to the Father. The earth will be filled with the knowledge of the glory of God. Hallelujah!

At this point, they will talk about the glory of God. That's why Moses said everyone is talking about your glory, your presence that saves. You did an impossible feat, of rescuing your people from the chains of the Egyptians. You are God of the impossible. He defended the people by talking about the glory and God was so happy, that He did not destroy the people for their murmurings. God is happy when we manifest his saving presence, because in the glory He can talk to us and lead us back

to the right path. He only wants good to happen to us.

In the heavens we see the purest form of worship. As it is in heaven so let it happen on earth. God wants to manifest His anointing through your pure worship, then you will see the glory of God, and speak to God face to face like a friend.

The pure in heart will see God. Even, if you feel you are not pure, continue to worship God with your perfect heart. God is looking for perfect hearts, not perfect people. God is looking for connection not perfection. For connection with God brings perfection and purity. Every impurity in you will be made pure because of God's refiners fire. The glory of God refines us as our attention is on heaven.

How do we define signs and wonders? The place shook, that's a sign and wonder. The fire was on the tongue of every one, that's a sign and wonder. The other day in my worship I saw gold dust on my face. How did this happen? This is the glory of God manifesting on earth from heaven, waiting for one person to just worship in spirit and truth.

Gold dust can come into your life. Fire can fall on your tongue. Your place can be shaken. A mighty wind can come, why? The purest form of worship brings heaven to the earth. The foundations shook when Peter and Silas worshipped God.

Something we cannot reason out, this is a sign and wonder. God can do anything and everything, so we cannot limit God to work in our lives. Hallelujah! There are unlimited possibilities. God repeats history and also He wants to create a new history through you.

God always likes to do new things. Solomon said there is nothing

new under the Sun. He is full of wisdom, but what God is doing is something new. Even in the world the car manufacturers come up with new models. But, God is doing something totally new, that you cannot even imagine or grasp. This is our God who says He will do a new thing. He is a God who makes new streams of water in the desert land.

He is going to release streams of water in your life and open doors in your life. New doors you never imagined, unimaginable doors, unexpected results. Hallelujah! Only God can do it. Man will always reinvent the same thing, but God will create something out of nothing. He is doing that in your life, continue to believe and hold on to His hand.

Heaven is so unique, it is not a random place, everything in heaven is unique and you are unique. You are fearfully and wonderfully made. Only you can fulfill your purpose on this earth that God has planned for you. No one else can fulfill this purpose.

God is trusting in you because He says you are unique my son, unique my daughter. The moment the seed touches the earth, there is a light that forms and this light is from heaven. This is God's energy, a reaction happens. God designs this very carefully. God says I designed this person wonderfully and beautifully even before your bone marrow was formed.

Right now God is healing someone with bone marrow issues. Your cancer is healed, your diabetes is healed. God did not create you to live in that infirmity and sickness. God did not create you for sickness, it is the enemy who made you cut off from your soul and to fear everything. As man thinks so is he.

Your body is going through some challenges and God is reverse engineering and renewing your body, renewing your mind to see the power of God manifesting and to see the power manifesting from your spirit to soul and body.

Your body is receiving the frequencies of heaven, to explode in a way of healing. Very simple, all that is required is to stay in tune to heaven, be connected to heaven, to be focused on heaven.

HEAVEN SENT JESUS

Chapter Nine

*For I have come down from heaven, not to do My own will, but
the will of Him who sent Me
—John 6:38*

As heaven sent Jesus, Jesus is sending you into the world. The Father sent Jesus, who is sending us to destroy the works of the devil, through him. He healed the sick and raised the dead.

Jesus is sending you with the same authority and power of Jesus, who once walked on the earth as the Son of God. Today you are an adopted son and daughter of God. As Jesus is, so are you.

The Bible does not say how Jesus was a man living on this earth. The Son of God, He did not use the resources of heaven to destroy His enemies. Instead, Jesus depended on the Father. Whatever the Father showed Jesus, you can boldly walk into it and you will see the manifestation.

The Bible says Jesus is the risen Lord. As Jesus is today, risen, so are we in the world today, risen and carrying the same resurrection power! This passage was written after Jesus' resurrection. John could have written, as Jesus was, so are you. No, he wrote as Jesus is today, risen, so are you carrying the same resurrection power. There is a greater

meaning here.

Let this revelation sink into your heart, that as Jesus is, so are you, that you can do and be the impossible and receive heaven's best. Heaven always sees things and pursues things. Heaven always discerns things and understands everything.

Today, you have the spirit and gift of discernment. You will be called as a seer, a visionary. You will be able to see and discern everything around you. God is giving you the gift of discernment, it is coming upon you now, because as it is in heaven, so be it on earth. Heaven sees the vision and operates in this manner and you will operate in this manner.

What is in heaven? There is always light in heaven but no night in heaven. Always a bright light, Jesus is shining like a light in heaven. Today, as in heaven so be it on earth. So when you are sleeping, your spirit-man is not sleeping, but your soul is sleeping. Your spirit-man is alert and the Holy Spirit is depositing heavenly deposit in your spirit.

So even if you are sleeping the enemy cannot give you an evil or negative dream. Your spirit-man is completely aligned to heaven. You are believing right now. As you believe today, even when your soul is sleeping your spirit-man is active and aligned to heaven.

Whenever your spirit is connected to your soul, your soul cannot think outside what your spirit is seeing. The reason why you get a lot of dreams is because of your disconnection between your spirit-man and your soul. How to make that connection? It is by faith. Faith comes from abiding in the vine Jesus, who is the Word of God.

All blessings flow from your spirit-man to your soul and from your

soul to manifest in your body and environment. It is like a transfer from your savings account to your checking account and you are withdrawing cash from an ATM.

Your spirit is your savings account and God has saved everything there. He saved it in your spirit, He has deposited all your blessings in your spirit.

Whenever you have a need, transfer your blessings from your savings account to your checking account and withdraw your blessings from an ATM. By faith withdraw from your heavenly ATM and manifest financial and healing blessings in your life.

He saved your spirit once and for all, deposited all the blessings, everything you need. The Bible says His divine power has given us everything we need for life and godliness (2 Peter 1:3).

Whatever you need for life is deposited in your spirit-man. You may be in a business problem or without a job, nothing might be going on, but everything is in your spirit. The spirit-man will be awakened to give you the ideas, the innovations, thoughts, strategy, the power and the frequencies of heaven, then your mind operates according to your spirit.

By the spirit there is no condemnation, because the spirit is full of heaven, blessings of Jesus, and complete blessings of righteousness. The spirit will guide and lead you into all truth and all blessings, into all blessings and liberty, into all healings and manifestation.

You are the light of the world. The Spirit of God is flowing through you. That's why Paul said it is no longer I live, but Christ who lives in

me. The Bible says as many people touched, the hand of the Lord was on Paul. Meaning Paul connected to his spirit. And his soul was connected to the spirit-man frequency. So heaven was channeled through the spirit and soul and manifested to the body and in the physical realm.

The handkerchief that touched Paul could carry the virtue of heaven. There is a deposit, anything you see in the spirit and you believe, deposited from heaven will manifest in the physical realm. No doubts, but your mind must be fixed on heaven and your soul will follow. You will receive amazing touches of God. Everything from heaven follows from your belief.

However, your mind and soul, injected with God's Spirit should stay in heaven where the recipe is being made and waiting to be birthed on this earth. God is eagerly waiting for His will to be done through the Kingdom.

Some of you will see oil in your life, physical oil. Some will see gold dust, feathers of angels, but don't be satisfied with that. Heaven has much more than that, God wants to manifest more glory through you. To bring people into the Kingdom of God.

God's manifestation of glory reveals His love as you bask in the glory. His care for His sons and daughters, as they are touched by His saving presence. God says. you are my worshippers, my bride and My splendor will overwhelm your existence and beautify you to carry My DNA.

You are wonderfully and beautifully made in My image, a torch bearer of My love. You are spectacular and worthy. I died for you, it

pleased my daddy to crush Me to redeem you and to deliver you. Hallelujah! To allow you to walk in the boldness and authority of heaven.

The book of Romans says the Kingdom is not about eating, or drinking, but about righteousness, peace and joy in the Holy Spirit (Romans 14:17). When your mind is connected to heaven, there is righteousness, peace and joy. You are filled with heaven's joy and it's infilling. Heaven's glory will fill you up.

Jesus said, truly I say to you whatever you bind on earth, will be bound in heaven. And whatever you loose on earth, will be loosed in heaven (Matthew 18:18). You have the authority to bind the enemy of poverty, sickness, anxiety, defeat, depression.

This authority is exercised with your eyes and mind stayed on Jesus. Heaven's possibilities are unlimited to those who are constantly declaring God's positive message. Your words are meant to edify self and all the people who surround you and decimate the lies of the devil, by believing in the truth of God that He is waiting to unleash the blessings of the Kingdom on you.

JESUS IN HEAVEN

Chapter Ten

*But our citizenship is in heaven. And we eagerly await a Savior from there, the Lord Jesus Christ.
—Philippians 3:20*

Many people have various degrees of belief, some do not believe because they have been blinded by the evil God of this world, who prevents them seeing the light shining on them, the light that comes from the good news about glory of Christ who is the exact likeness of God (2 Corinthians 4:4).

These people cannot see the light, which means they cannot see the glory, which means they don't know the presence of God. Why? Because the devil has distracted them or blinded them from seeing the light, by sending them problems and distractions. For some it's about ambition and money. They depend on self and feel they do not need God's salvation and help.

The whole world is blinded, only those who daily look for Jesus as the light, Savior and deliverer will find their true purpose. However, for the masses it is anxiety, fear and depression and their solution is alcohol, drugs and sexual addictions.

They fall further into the pit of anxiety and depression. This happens because of their attachment to the world and detachments from God. Their eyes are on the world and not on the Kingdom.

So set your heart on things in heaven, where Jesus is who sits on His throne at the right hand side of God. This brings affection for God and detachment from the world.

Whatever you loose here on earth is loosed in heaven. Whatever you release here on the earth is released in heaven. The heaven moves according to our words on this earth, so speak life, health and prosperity.

Prophecy is evolving and not stagnant and different revelation will emerge, giving us different dimensions of God's heart. The prophecy can be a puzzle revealed a little bit at a time as you walk in God's shadow.

If there is no poverty in heaven, then there will be no poverty for God's children. God will never abandon the righteous. Jesus said there is a mansion in heaven waiting for His children.

Is a house difficult for God to deliver? Trust in Him to always give you a roof over your head, food, pay your rent. The rest is a bonus for those who live in the Kingdom of God, because your eyes are on your mansion in heaven.

Declare it as it is in heaven. Your true Father is not a beggar, but the creator of the Universe. He is the first real estate owner and wants His dominion over this earth. God is the first entrepreneur. You cannot be homeless or living in poverty.

Learn to find your home in God's presence and you will no longer be a homeless wanderer, at the same for those with the faith to believe, your physical home on this earth will be settled. God will never abandon, leave or forsake His righteous.

It's all about fixing your eyes on Jesus in heaven. As you face challenges with your rent payment or mortgage, look heaven forward and thank Daddy God for His provision and wait in faith before Him. Daddy, will have no choice, but to give you a way out. He says those who wait for my help will never be disappointed (Isaiah 49:23).

Even Jesus as a baby, was protected by God and Mary and Joseph were provided frankincense, myrrh and gold by the wise men before they fled to Egypt. Even as He was little the favor of God was upon Him. You have the same rights as baby Jesus, you are a co-heir. Why? He had a destiny to die for the world and you have the destiny to conquer this world for God.

Your spirit-man is connected to heaven, as your soul is renewed by these truths. God will provide for your needs and provision will come. God will open supernatural doors of provision, because we are not called to be bogged down by earthly needs. You are made for a greater mission and vision.

You are called to break the spirit of poverty. You are called to break the spirit of sickness. Your real life is Christ and when he appears, you too will appear with Him and share His glory (Colossians 3:4). Jesus shares His power and glory, and allows His Kingdom dominion to operate on this earth through you.

You will be elevated to heavenly places, seated with Christ with

heavenly strategy. As an ambassador of Christ, a representative of Christ everything is taken care of for you, as an adopted son and daughter of God.

Jesus said look at the birds, not one falls down without the Father's consent, you are more valuable than all the flocks of birds. Look at the lilies of the valley, who is giving them their beautiful color and amazing newness? You are much more precious, than the flowers and the birds.

Why do we not know our standing with God? It is because our attention is always on the things on earth, not on the things in heaven. Worried and concerned about earthly matters, forgetting that everything on earth will one day perish. Therefore, we are duped by the shenanigans of this world and the world has become our master.

The key is to switch your outlook from the world to heaven. From our circumstances to Jesus. Switch your master, from the world your master, to Jesus. Once Jesus becomes your master, you will never be duped by the world, because of your attachment to God and detachment from the world.

Your eyes are always on Jesus, who is continuously shining His light, from His throne, because there is no darkness in heaven.

HEAVEN'S INVASION

Chapter Eleven

Then he made him that remaineth have dominion over the nobles among the people: the LORD made me have dominion over the mighty. — Judges 5:13

Seek first the Kingdom of God, the King's dominion and His righteousness and all things will be added to you. When your spirit-man is tuned only for the Kingdom, your mind is renewed for Kingdom purposes. Every possible thing, which you seem impossible, will be possible, because with God all things are possible.

God will take away that stressful life, because there is no stress in the Kingdom of God, because your eyes are on heaven. There is no stress in heaven, except for pure worship.

Worship is even in the way how we conduct ourselves and relate to others. This is a sweet fragrance to God, when brethren dwell in unity in families, communities and churches. Always be humble and consider others to be better and wait to be exalted by God in His time.

Some of you are going through stressful lives, jobs, and business. Some even have a stressful ministry. Heaven has no stress, because all they do is worship God 24 hours, gazing at the throne of God. So we too must always worship God

24/7 in our relationship, intimacy and by our attention unto God by gazing into heaven.

Jesus was sleeping and there was a storm going on. He woke up and calmed the storm. So you will wake up and calm the storm by keeping your eyes fixed on Jesus and trusting in God with all your heart, not thinking too much about the storm, rather you remember the Kingdom and the Kingdom sends the angels to invade the storms of your life.

Heaven is full of vision and vision is full of identity and purpose. You have to know your identity in God as a child of God and the authority you have to rebuke all of the evil arrows of the devil, whose goal is to bring the children of God down into the pits of hell and lose their identity in God. Identity is born, when you know your true Father who is your ultimate Father and most faithful.

Paul said he knew his purposes as he was caught by Jesus in a good way. Caught to walk in the purposes of God. I know my purpose is to run in this race for God. My spirit-man is always alert and soul is always renewed and transformed to be more like Jesus. My body is filled with blessings and the riches of God's glory, wisdom, oracles, power, and destiny.

Everything that is happening in my life is because my spirit-man is active, vibrant and connected to heaven. As it is heaven, so is done on the earth. I run the race, towards the vision. Paul could see clearly, the blueprint and the vision Jesus had planned for Paul. He finished it very quickly, to run the race and finish the race. He said I am done and I finished the race victoriously.

So God wants you to run with the vision, run with the purpose and

run with your identity. His vision, purpose and identity for you. Healing, deliverance and miracles will happen.

If your eyes would see and your ears would hear, your mind would understand and you would turn to God and he would heal you.
(Matthew 13:13).

God wants to heal you of all your hurt, pain, rejection, past mistakes and you will be able to walk in your destiny according to heaven's will on earth.

Jesus preached the Kingdom and manifested it by doing signs and wonders. As you preach the Kingdom, miracles, signs and wonders will follow you. You will not follow or run after miracles, signs and wonders, rather they will follow you. As you preach and walk in the Kingdom, as you believe in Kings Dominion, that is Jesus' dominion.

The demons in your path are destroyed. There is now freedom and no obstacles and the heavens operate without being impeded by the forces of evil. Nevertheless, this is an ongoing battle, the enemy is waiting for you to take your glance from Jesus and the Kingdom.

As you are reading this, heaven is invading into your senses and you are conscious of the Lord who is with you. Continue your heavenly focus and heaven will invade your living rooms, home, vehicles and angels will be stationed around you and your family.

Wherever you go, angels full of fire and chariots will accompany you waiting for your prayer, faith and your heart to be set on heaven, where Jesus sits on His throne at the right hand side of God. The light of Christ

will shine in you and through you. Hallelujah!

The Kingdom brings establishment, security, wellness, deliverance, miracles and shift. The supernatural blessings are following you. The energy of heaven is in you. There is no curse in heaven, as it is in heaven so be it on the earth. God will remove every curse and it moves away into the depths of hell, as the heaven falls toward the earth.

The pattern of curse is broken, because Jesus took every curse and released the blessings for those with faith in heaven. Generational sickness is broken by the blood of Jesus which was given for the forgiveness of sin and for breaking sickness. You no longer carry the genealogy of your family, rather you carry the genealogy of Jesus Christ.

We are called to have no debt, except to have a debt to love. Only love can have a debt. God is bringing an amazing breakthrough in cancelling all debt. I had 50,000 dollars of debt and God caused me to come out of debt and I release that upon you.

How? Now you believe that Kings Dominion is coming upon you. Stay in the dominion of Jesus and see the cancellation of all debt, or some breakthrough for all your debts to be paid. It seems impossible, but with God all things possible.

Remember, all breakthroughs belong to God and He holds the keys, all you have to do is believe and stay focused on heaven, heart wise, mind wise and walk in the direction of the Kingdom.

In the King's dominion you are operating in the heavenly finances and heavenly provision. In the supernatural real provision will come,

you don't know how, just believe. God will bring you out of debt and out of your mortgage. Wait in His presence, until the fulfilment of His promises with your mind fixed on heaven.

God will give you a unique destiny, God will make you a lender and not a borrower. You will no longer carry any credit cards, rather you will carry savings.

All you have to do is move from your savings account, to your checking account. Your savings will be replenished by the replenishing angels. Not only for your finances, but for every area of your life. God is replenishing you, refreshing your soul.

Whatever you need for life and godliness, God is replenishing your life. God will give you the strategy, the power to produce wealth. He is giving you the wisdom and oracle. He is giving you the energy and activity. He is giving you briskness and boldness. He is giving you the strategy. He is giving you a unique purpose and destiny. He is giving you the amazing knowledge to move forward.

SECRET PLACE

Chapter Twelve

“You shall hide them in the secret place of Your presence from the plots of man; You shall keep them secretly in a pavilion from the strife of tongues.”

— *Psalm 31:20*

Jesus always did what the Father did. He would always withdraw to a quiet place, to get refreshed with the Father's presence and do what His Father taught Him. Similarly, we are called to withdraw and tarry with Jesus, to see what the Father is doing.

The Father reveals in the secret place from heaven. The Holy Spirit will teach and reveal all truths to us. The first truth is about the Kingdom and the finished work of Jesus on the cross, opening the gates of the heavens to all believers of truth. Heaven is open to you.

The person who sets their heart on heaven will be open to receive answers to crucial decisions. The Holy Spirit led Jesus to the desert to fast and pray before He began His ministry.

The Holy Spirit will lead you into important decisions, when your attention is on the secret place where God dwells, with His Son and the

Spirit. They lead you into the paths, where the right door is open. God will shut the wrong door, for those who have their hearts set on Him.

Discerning God's heart is simple, it's all about submission to God, His *Word* and His will. Willing to walk life's paths of treachery and life's path of victory, with faith, hope and love. In complete trust, that God is in control and is leading you into His righteous paths (Psalms 23), that He knows the right path and you just have to trust in Him.

The Holy Spirit will lead you into the right direction and purpose. Opening unfathomable spiritual dimensions, leading you to your destiny and future.

Unbelief empowers the reality of your difficulty, fear, poverty or sickness. Faith rises above your reality and empowers your future hope to bring your breakthrough, healing and future, cancelling all negative reports. God wants you in the secret place, to teach about faith. As it is in heaven where there is no unbelief, so it will happen in your life here on earth.

Heaven does not entertain reality, just waiting for glimpses of faith to rise up from the secret places to believe in heaven reality waiting to be manifested on earth. Faith changes your reality to heavens reality.

Peter walked on water when he focused on heaven's incarnate Son Jesus. Then, he started to drown when he focused on earth's reality of the whirlwinds and choppy waves, ready to swallow him down into the depths of the lake. Yet, Heaven's Son was there to grab his hand and rescue him when he called out for help. "Jesus reached out and grabbed his hand". Even, in doubt, heaven can still save you, you only need to call out.

Dishonor the natural things and honor the heavenly things, because you are a heavenly being more than a human being, eventually we all turn into spiritual beings destined to the place we have chosen, heaven or hell.

You were a spiritual being, even before you were a human being. God calls you as a spirit, because your spirit lives forever. Your body decays into the earth. On this earth we have this body. The Bible says you will get a new body, a glorious body and your spirit will live forever. You will always be new, fresh and vibrant.

Your spirit is more important, but people give importance to other things. The tragedy begins for them when they do not walk in the Kingdom. So God speaks to us in the spirit.

When we walk in a faith that is above and beyond, people will be uncomfortable with you. Do not be afraid, people will criticize you. You are walking in the Kingdom mindset.

The prophets walked with amazing faith, like Elijah who called down fire from heaven. People hated him, Jezebel hated him. Why this unusual faith? Prophets are hated by Jezebels. The Israelites killed the prophets. Jesus said the world will hate you if you walked in the Kingdom.

Jesus died for you, so you are protected. Jesus did not die for the old covenant prophets. Jesus said that John the Baptist was the greatest among all the prophets. But He said the least in the Kingdom of God is the greatest among all the prophets.

So Jesus is giving you an extra assurance to walk in the Kingdom,

shake the nations, no one can take your life. Jesus said no man can take my life, except I lay it down. Jesus is saying no one can take your life because I hold you.

This confirmation was not there for the old covenant prophets. Some of them were killed by their own people. But today you and I have such an amazing confirmation and confidence in God.

The point is that when you have an unbelievable faith, you will not see much reception to your faith, until you see the glory of God manifest and then the answer will come.

You may be going through some challenges because of your unbelievable faith, don't worry God will manifest His saving presence and release His signs and wonders.

Even, John the Baptist had unbelief and he said is this Jesus the one who is supposed to come, or someone else we need to wait for? Jesus said go and tell John the Baptist, the blind is seeing, the deaf is hearing and all of these miracles are happening, this is written in Isaiah concerning Jesus' ministry.

So Jesus is allowing our unbelief to be antidoted by the signs and wonders and walking in the Kingdom, which He too wants to manifest in your life. He tells us to walk in the Kingdom, by fixing our attention on heaven where Jesus sits on His throne.

Today, the choice is yours. God is calling you to tune in with His Spirit. As your spirit is completely led by the Holy Spirit and your soul, renewed and transformed, your body will yield the fruit and result, as

your spirit is rooted and grounded in Christ.

Your mind is also rooted and grounded in Christ. Your body and life will reflect the glory, the signs and wonders. You will walk in the Kingdom authority and victory.

Freedom from sickness, debts and completely rule and reign with empowerment. A complete shift and you will shake the nations and destroy the works of the devil and do good works.

The Church does not want to preach the Kingdom, because they are afraid that people will be discouraged after trying for some time and if nothing happens. We are not called to ignore the Kingdom, rather to seek the Kingdom and His righteousness. God can only raise a generation of people who are not worried about the result, rather believers in the truth.

I want you to completely be poured into the Kingdom. You will never regret when you immerse yourself into the Kingdom in faith. The Lord will manifest himself, His saving presence.

You don't have to play a safe game, but completely gamble all your chips into the Kingdom. You will never lose heart because of His big and small miracles. You will never fail because of His presence that saves. You become God centered and not sin centered, because the Kingdom roots out all sin and addiction, through the Grace of God.

Fully believe and step into the Kingdom, there will be a shift and you will see signs and wonders.

AUTHOR AND TESTIMONY

Albert Milton is proclaiming the Gospel of Love, Grace and Hope in Jesus through social media, traveling to churches across the United States & other countries.

At the age 13, I had a serious problem, I started talking like a feeble voice, so wherever I went people made fun of me. My feeble voice sounded like a female voice, I tried to isolate myself from the rest of the world.

Couple of times I even tried to commit suicide, I thought there is no hope. Five years passed, I reached the age of 18, I had a Bible in my hand and as I was reading the Bible I saw Jesus did a lot of miracles that are recorded in the Bible.

He asked, Do you believe I can do this for you? Everyone who said yes, they all received a healing from Jesus. Their life was transformed like never before. Doctors gave up, my parents gave up, and everyone gave up.

One day I was asking Jesus, I truly believe. Everything written about in the Bible is so true. Will you heal me from this sickness or disease in my throat? The moment when I was asking Jesus for the first time in my life. Instantaneously, I started speaking with the male voice that I am speaking to you now. Jesus healed me immediately. Hallelujah!!
