A PROPHETIC WORD

Chapter One

“For the Lord GOD does nothing without revealing his secret to his servants the prophets.

—Amos 3:7

Jesus has a greater agenda for all of His children. For God is amazing and He is a good God. I prophesied over a person some time back and God revealed about the person's future, great and mighty things. A couple of weeks ago I got a message, Hi Prophet Milton, what you prophesied is coming to pass. Last week, a news reporter contacted me via Instagram inquiring about an interview mentioned, she heard good things about my pound cake, and she wanted to interview that Monday. After the interview, sales started coming in supernaturally and we sold 70 pounds of cakes within 3 weeks. A news article was published on their news channel.

So basically, this was a prophecy that God said He is going to bring a shift a drastic elevation, it was a personal prophecy to this person. God fulfilled the word very quickly in this lady's life. So, she was very thrilled and excited to see that the prophecy spoken over her life came true, just in a matter of two weeks.

The reason why I share this testimony is because God is good. He is an amazing and wonderful God; He is good all the time. We learn how to activate His blessings by remembering that He is a God who remembers.

He is extraordinary and does marvelous works, and your breakthrough is around the corner.

Even today God is going to do something amazing. He even gives amazing heavenly recipes that comes from heaven, where all perfect cake recipes are stored, waiting for someone to tap into heaven's store supply. He is a God who is unlimited, and He is going to do extraordinary things in your life. God is a God who remembers you and He never forgets you. Especially concerning His promises.

God clearly told this woman I am shifting your career, to a different career. The cake business was not her main job. A drastic elevation was about to happen. This was a short-term prophetic answer for her immediate needs.

Many do not know when the prophetic word will be fulfilled when God gives a prophetic word or promise. People think it may take ten years, or years. The prophetic word depends on whether it is for an immediate need or a destiny vision. Destiny prophecies take a bit longer to fulfill where the participant to this prophecy has to go through the process of orientation, formation, personal instruction by the Word of God and guidance of the Holy Spirit.

There will be a lot of trial and error and setbacks. The devil will be working overtime to prevent you from your destiny, those who learn how to weather setbacks, will reach the promises of God. However, God has a plan, and we must remember His prophecy and keep our mind on it. In your difficult times remember God's promises and His prophecies.

God already had a plan. He released that Word because He was already preparing and arranging things. He is already bringing people the favor to get the visibility. He is a God who supplies all our needs according to His glorious riches in heaven.

This answer to her prayer, was a tangible expression of God's answer to your prayer. Because prophecy is tangible, and God makes it tangible to many people. I release the word upon you even during this pandemic situation or any crisis, the God who remembers you.

A WORLD IN CRISIS

Chapter Two

If he did not spare the ancient world, but preserved Noah, a herald of righteousness, with seven others, when he brought a flood upon the world of the ungodly.

—2 Peter 2:5

During the time of Noah, the whole world was perishing but God is saying, I am a God who remembers you. The reason is because you are in God. You are in Christ Jesus, you are settled and secured. You are established and well nourished.

You are empowered and seated in heavenly places with Christ Jesus. You are protected under the shadow of His wings. Find that protection under His wings as you wait for the fulfilment of prophecy.

Psalms 36:7 How precious, O God, is your constant love! We find protection under the shadow of your wings.

You are a ruler and reigner, rising above all the principalities and powers. Every authority, boldness, courage and wisdom are given to you

because He is a good God. He is going to do extraordinary and marvelous things.

God told me to tell you that He remembers you. He remembers the promise He gave you. He remembers the prophecy He spoke over your life. Even if there are delays, do not quit, it will come to pass. The vision is for an appointed time. So, you can say the prophecy that God gave you is for an appointed time. It will not lie, surely it will come true in your life. It will come to pass.

Even before you think about it, God is going to make it happen. God is still working and doesn't have an off day. He works on behalf of you, He works all things for your good, because He is a good God. He is a loving God.

Psalms 121:4

Even when you are sleeping, He never sleeps. Bible, says He is the God of Israel, He never sleeps nor slumbers. He always works around the clock. He's working for His children; He wants to get things done in His children's lives. You are His child. You are His beloved.

Coming back to Noah's story, not ten thousand people fell, but the whole world was in a crisis. However, because of God's covenant with Noah, he was protected. Today, the good news is the covenant you have is a better covenant than Noah. We have a better covenant and better promises as a son and daughter through Jesus Christ, so you do not have to fear.

The people who are not in Covenant with God should fear and panic. So do not be threatened by any word or prophecy, or end times prophecy. Because God remembers us, we are supposed to be rejoicing in Christ. Hallelujah!

We are rooted and grounded in Christ. You are the apple of God's eye. As adopted children, we rejoice in faith and not in fear. We must walk on this earth, bold and courageous, excited about the days ahead of us. Hallelujah! Don't let the enemy keep you down, pick up. Our first line of offense is our words. Speak! Speak God's positive words.

Think about Noah's covenant with God, the value of the covenant, God's supernatural protection and how he remembered Noah. Then it started to rain, the water rose, anarchy began for the inhabitants of the earth, the wind blew like a whirlwind of death, people were crying and repenting but it was too late.

The water drowned them, and their footprint stamped out from the memory of earth and the heavens. Yet, for Noah the dryness was seemingly a luxury, as they waited in anticipation and faith for the fulfillment of God's prophecy in the Ark.

I'm sure they were a bit concerned, but they waited in faith, in expectation. Vindication and protection were on the side of Noah and his family. They laughed at Noah, for what they thought was foolishness. Foolishness in the eyes of the blind, but wisdom for those with eyes to see truth.

What a faithful God for those whose faith is counted as righteousness.

You may be stuck in your life, career, ministry or any area in your life, physically, financially or emotionally. You may be in a boat with no rudder, no direction or purpose, wavering or clueless. You think God has forgotten His promises.

You are like Noah in the ark, listening to the waves, the storms and hearing desperate cries of people losing hope on the earth. Don't worry, you are on God's Ark of faith. This is the place to be, in faith, where God does not forget you. He will bring his promises to fulfillment.

KEEP IT IN YOUR HEART

Chapter Three

*But Mary treasured up all these things and pondered
them in her heart.
—Luke 2:19*

God is assuring you, that He has full control over you and He says, I am going to do everything beautifully in my time. You are hiding in the shadow of His presence, feeding on manna from Him daily until the fulfilment of his prophecy.

God says the time is at hand. I remember you; I remember the promise I gave you. I remember the prophecy I spoke over your life, remembering every minute detail, planning and letting my favor to fall on you.

The woman said, the news reporters found the woman, this is the favor of God. He is connecting the dots, bringing divine connections. I prophecy today, God is bringing divine connection into your life, in every area of your life. He is bringing a divine destiny and divine encounters. Expect!

This is a serious word of God, not encouragement, or motivational. God is seriously speaking over your life. If you want to see glory, then take this word seriously, He will give you advancement and purpose. He is going to do greater things.

The Lord, who remembered Noah, is going to remember you.

God told Simeon who was very old, that you will not die, until you see the Messiah Jesus. God gave a prophecy that he will see Jesus before he dies, and this was an enormous prophecy and God fulfilled the prophecy. Bible says Simeon kept it inside his heart.

There are certain prophecies God is giving you that you must keep inside your heart. You are not supposed to share every prophecy to everyone. Have wisdom else people will discourage you and lead you away from the message that God gave you.

Keep it in your heart, meditate upon it, ponder and ask God for strategies to bring the prophecy to fulfilment.

Mary did not share the virgin birth to everyone, rather she contemplated and kept it to herself. She was really thinking and pondering about it. There is a power about keeping certain words within the heart.

Bible clearly says Simeon kept it to himself and he was looking forward to that day waiting for the promise to be fulfilled. When Simeon saw Jesus in the temple, what a great joy and it was amazing to meet the Messiah promised by God, the one who would save the people of Israel. The birth of Jesus, even at his old age. The prophecy came to fulfilment 15 years from the day it was given by God.

God is saying, my son and daughter, I will fulfill my prophecy even in your old age. I am a faithful God, a good God. I am going to fulfill everything I have spoken over your life. Every minute detail will be fulfilled. You will see that.

This is the moment and season; God is expediting things in your life. God says you are in a crucial time. I will give you a finisher anointing. I am the one who started the good work in you, and I will fulfill it. This is the season for fulfillment of promises, fulfilment of prophecy. Fulfilment of His Word over your life.

DAVID WAITING LIKE A FARMER

Chapter Four

*Wait for the LORD; be strong, and let your heart take
courage; wait for the LORD!*
—Psalms 27:14

David was anointed to be King when he was 17 years old. But David became King when he was 30 years old. For 13 years he didn't even have a home. He was homeless, running from one place to another.

Even his enemies tormented him saying that, you were anointed to be a King, yet you do not have a home in your country. You are coming to this Philistines nation to take refuge. You are running like a dog. This was an enemy's synopsis of David's life.

People would have asked, "Where is your God who promised you to be King? You defeated Goliath and He gave you nothing, you are homeless". But David did not quit. Do you know why? David was a man after God's own heart, he did not boast about his anointing or underestimate his anointing.

He was a person who lived a balanced life, a balanced Christian life. He was fully centered on God. No one could force David to unbelieve what God has promised. He waited 13 years to be a King.

David patiently waited like a farmer growing an oak tree, it takes years to grow an oak tree. The root is growing and growing deeper. God is saying my son and daughter you must have deep roots in me, so that you can grow into this mighty oak tree that will overshadow the enemy of your trials and problems.

Because you are so big, the problems cannot stand in your presence. They will be choked and snuffed out by the enormity of who you are, a giant that does not allow the setbacks to find any light. They will just die, malnourished and put to death.

This was who David was, a giant oak tree. God is saying my son and my daughter, you are deeply rooted in me. Do not fear or worry about the external things that will always come to distract you. Your root in Christ is important.

God is commanding, appreciating, that some of you are waiting for months and years. God is saying your root is growing deeper in me. You are my fragrance, and my aroma is released through you. I am going to do marvelous and mighty things through you. Your waiting period is over.

God ended Noah's waiting season of building the boat and floating in the seas with uncertainty. Do you feel like you are floating in the middle of the ocean, like a boat without a ship's wheel, being stirred by the whims and fancies of life's circumstances?

Noah's ark had to go in the direction that it had to go, there was no control, and there was no ship wheel. Are you living a life, which is out of control? Do you feel you are out of control?

God is saying I am in control and sitting at the ship's wheel of your life. Let go of the wheel and let me take over completely. I always remember you; you are always on my mind. I gave you many prophecies and promises, but you are literally homeless. You are living like a refugee in a small tent waiting to be blown over.

Are you living in shame? David lived in shame for a long time homeless on this earth. But in his faith, he was never homeless, for he found his home in God. Although he defeated Goliath, he was living in shame, because the enemies were after his destiny, waiting to dismantle his faith and destroy the plan of God.

But God was having nothing of it, because He knew David's heart and spoke to his heart and give him counsel. David never went to his men for counsel or was afraid of them because he took his counsel from the heavens. He had an intense fear of the Lord.

God is giving glory to those who are living in shame. Whoever God anoints; he brings them to glory. Glory upon glory, ever increasing glory, Shekinah glory. God glorified David after thirteen years of waiting time. God is saying, your waiting season is over. Those who wait patiently will also reap bountifully.

Are you building your lives on the sand where the winds and storms of life overwhelm? Do you give into your anger, anxiety, addictions and fear? When the problems come, do you sink into the sand and drown? Or are you waiting patiently in the presence of the Lord, feeding from the heavens daily and building your spirit-man up, your foundation in the rock? Build your lives on the rock JESUS.

Whatever the situation you are in let the fruits of the Holy Spirit of love, joy, peace, patience, kindness, goodness, gentleness, faithfulness and self-control (Galatians 5:22) fill you. The devil is desperately trying to agitate you, so that you will lose it and lose control of your emotions.

Like this lady who sold her pound cake, she spent years perfecting her pound cake recipe. The breakthrough did not come immediately, at times she was frustrated, but she continued to trust in God, she continued to build her root in God. As she looked to the heavens, the recipe was birthed in the Kingdom, gradually descending to earth. The Lord's will was being formed as she continued to build her foundation on the rock Jesus.

THE BAMBOO TREE

Chapter Five

Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving.

—Colossians 2:6,7

The root is being formed, for those who patiently wait for God to deliver the answer. God does not spoil His children with instant results, because He wants their characters to be formed in trust.

Trust builds character for the children who are looking to the heavens for their answers. Set your mind on the things in heaven, not the things here on earth. For you have died, and your life is hidden with Christ in God (Colossians 3:2,3).

God is releasing the harvest, it is coming. Your eyes will see, and you will be enlightened to see your harvest. In the natural, it may seem impossible but always, remember this, with God all things are possible. (Matthew 19:26).

Don't run after man, rather run after God. Have you noticed, every time you ran after man, it did not work? It's time for you to trust in God and run after God, let go and let God.

The Chinese bamboo tree takes five years to grow. They must water and fertilize the ground every day, and it doesn't break through the ground until the fifth year. But once it breaks through the ground, it grows 90 feet tall within five weeks.

For five years there might be nothing happening in your life. What do you do? Keep feeding your spirit-man with fertilizer of the Word and the water of God's presence daily, walking in the wisdom of God and the direction of the Son.

Suddenly, the ground will break through, and heavens will be open, and the bamboo tree of your life will shoot up to the heavens with your root strong in Christ. You have sowed the seed, fertilized, and it's time to reap the blessings.

Even if you feel like you are nothing or living a life of emptiness, don't worry! In the Kingdom you are greater than the prophets, because of the perfections of the heavens. Your root is growing in Christ, it is going deeper in God, and you are getting stronger.

You are blessed to be a blessing! David himself did not have anything. However, a bunch of people started to follow him and said we will stand with you. David replied, I don't have anything. I don't even have a home to live in, what can I offer you? I'm running for my life!

What did they see in David? It was his character, the boldness of a lion, the Lion of Judah was in him, Jesus was in him. People will follow lions of faith because they themselves are weak and need God's strength. They wanted to follow a lion filled with the spirit of a lion, the Lion of Judah.

How amazing to see David and his soldiers running together for thirteen years. David was a great leader because he was always after God's heart, because God always looks at the heart, not at the outward appearance. David's heart was connected to the heavens, his eyes were ever on the Lord (Psalm 25:15), who was preparing him to take over the throne of Israel.

Although, the prophetic word was given to him when he was around 15 years old that he would be King, he did not take over the throne of Israel immediately. He had to go through a series of trials and difficulties to build his character as a person worthy to be a King, a King with an intense faith in God.

If David had to go through a time of testing and sorrows, what more our lives, riddled with controversy and difficulties. The prophecy was given, yet we must wait for its fulfillment, for our character to be built in Jesus. The longer you wait in faith, the greater will be the elevation. The longer you stay in God's presence and His Word, you will acquire more understanding, wisdom and knowledge.

The circumstances might bring you anxiety and worries, but those waiting in faith for the fulfillment of God's promises will be like lions walking on the earth, roaring at the devil, roaring at difficulties, roaring at the problems and laughing as God will fulfill His prophecy.

Have you ever seen a lion walking with his head downcast? No! Lions always walk with their heads up with confidence. Wherever you walk, your head is gazing in the heavens in humility, at the awesomeness of the heavens. God will remember His promises. You are groomed, dressed like a confident child of God, dressed for action like a King.

HE HOLDS YOUR TOMORROW

Chapter Six

When I am afraid, I put my trust in you.
—Psalms 56:3

Although David did not know about tomorrow, he knew who held his tomorrow. David believed in the prophecy that God had anointed him as King. It took thirteen years, for fulfillment of the promise of his installation as King of Israel, it will not take you that long.

But, if it does, you are destined for greatness in the Kingdom of God. The longer you wait, the greater is the glory that falls upon you. Understanding all things with wisdom from the heavens, you will see your destiny as your eyes are on God, not just in the good times, but in the bad times as well.

Yes, there will be bad times, in those days, just hold on to the Lord's hand tightly, He will never leave or forsake you. With your imagination always see the Lord with you. Today, you can be a David, or a Noah. Everyone is a son and daughter of God; you have a unique plan and purpose. In the old covenant, God selected a few people, but in the new covenant, God chooses everyone who believes in Jesus. They are His sons and daughters.

His plans are richer and higher. As your heart connects to the heart of God, He reveals his plans to you. He reveals the plan according to the belief you have in your heart. For all things are possible to those who believe (Mark 9:23).

The belief of the person is important, if you believe that you can only climb a little hill that is what you get. Believe that you can climb a mountain, you will get to conquer that mountain.

God leads His righteous children according to the belief in their heart, connected to God's heart. Any child of God, whose heart is abiding in God's heart will do great things for him. Because God gives big destinies, big dreams to those whose heart is set on God.

Why is this so? Because God holds all things. He knew David's destiny and He knows your destiny too. To follow His destiny for you, you must set your heart on the Kingdom.

The power of God flows from the heavens to His children to do all things. It's not your strength or power, it is God whose very life is flowing

through you. The people who know their God will be strong and do great exploits for him (Daniel 11:32).

Remember, it's His plan and not yours. The hearts that are set on the Kingdom, will allow God's plan to be brought down to earth, to establish God's will on earth, for your life. Don't worry about the plan, just trust in God, with your eyes on Him.

He knows your talents better than you do, so His hands must be on the ship wheel of your life. Hands off! If you do not learn the lessons of God, you may miss your destiny like how millions are because their eyes are on their self and the world.

God is thinking big about you, big plans are ahead of you. Big purposes and destiny have been planned for you. Bountiful harvest is ahead of you, Hallelujah!

JOSEPH'S HAPPINESS

Chapter Seven

The Lord was with Joseph, and he became a successful man

—Genesis 39:2

In the life of Joseph, when he was a young little boy, he had a dream and saw his family bowing down before him. It took him fifteen years for the fulfillment of the dream.

When he had the dream, he didn't even know what it was about, he was just a boy going about his father's business tending the flock diligently, learning the oracles of God. He was happy.

He was the most learned and faithful in the ways of God. His father trusted in him to deliver results, more than his other sons. God gave him the gift of dreams and the interpretation of dreams.

When we are diligent in this world, we will be diligent in the Kingdom. He was a favorite of Jacob, rightfully and was chosen by God for greater things.

As we know, the other brothers were jealous of his standing with his father Jacob and concocted a plan to sell him to slave traders, rather than

to kill him. Joseph had caught the brothers in a lie and they did not want blood on their hands.

From, a life of happiness, it turned into sorrow, but God was with him and made him successful in everything he touched. So, there he was, a slave in Egypt owned by Potiphar. Did he give up? No, he continued to be diligent as a slave and raised up to the ranks of master over the other servants in Potiphar's household, he regained his happiness.

Now, the devil was there to thwart Joseph's happiness as the master of all servants when Potiphar's wife became obsessed with Joseph's handsome looks. But Joseph did not want to betray Potiphar and his God.

Yet, another fall from grace for Joseph, when he ended up in jail. How would have he felt? Sad and distraught? Did he give up on God? No, he continued to be diligent for the prison official and began to run the prison. Joseph, always kept his eyes on God, how do we know this? He still had the ability to interpret dreams.

While in prison, he was given the opportunity to interpret the chief baker's dream and the dream of the chief steward, and their dreams came to pass. The baker was executed, and the chief steward was elevated back to his former position.

Now, the day came when the King Pharaoh himself started having dreams kicking up a fuss. The chief steward remembered Joseph who had the ability to interpret dreams. Joseph was called to interpret Pharaoh's dream. His answer really impressed the King, because he could see God's spirit in him and considered him the best person qualified to do the job of protecting and multiplying the grain stores of Egypt.

So, Joseph was elevated to the position of prime minister, second to the King Pharaoh himself. He maintained his faithfulness to God, and he was diligent in the call God had given him.

The oracles of God were in him, taught by his father Jacob. Joseph had no idea what the future held, he only knew God and he had the faith that God would deliver him. So, he worked diligently at everything he did,

because his true master was God. This faith came from his forefathers, Abraham, Isaac and his father Jacob.

Joseph not only saved Egypt but was there to save his own people from the famine and he gave them the best portion of the land. He was able to be a blessing to his own brothers and to his father Jacob.

Only, when he became the prime minister, did he realize the plan of God. When he tested his brothers, who sold him into slavery and realized their remorse he understood he has been destined by God to save them and the whole world from famine. What an amazing destiny!

It is only through our diligence to follow God's leading, and our eyes fixed on his face can we move into the plan prepared by God, because our daily encounter with him allows him to lead us to the place where He wants us to be. So even in difficulty, keep your eyes on the Lord.

There might be crisis, drought or even a pandemic but during those situations, God's prophecy and promises thrives. God's word manifests and God remembers.

God says He is the one who started the good work in you, and He will finish it into completion.

Many of you are thinking that you did something wrong and that's why you are suffering. Even in the time of Joseph, he suffered when he lost his freedom and became a slave. Yet, God still had a plan in motion, and it involved Joseph. He was chosen because God's spirit was in him and the people who surrounded him could see the wisdom of God in him.

LISTEN TO THE VOICE

Chapter Eight

And he said, "He who has ears to hear, let him hear."
—Mark 4:9

The world is always filled with crisis upon crisis. The enemy is always working day and night, but God is working through the church, the people of God. Those who hide in the shadow of God, they will not fear or worry about any crisis. You are a pleasing aroma to God when you walk in faith.

That's where God wants you, to be in steadfastness, ignoring all crisis, rather diligently hiding in His presence and promises. Not looking at crisis after crisis, rather looking to His Son for the day of deliverance and promotion to the place where God has prepared for you. His plan is better than our plans.

God is giving you the keys, the authority to lock what needs to be locked and release what needs to be released. Bring down every principality, powers and strongholds that are seeking your destruction, by ignoring them and acknowledging your Father in heaven by remembering Him always.

You give power to the enemy when you talk about him and every problem and crisis he bestows on this earth. Rather, resist all his attacks by simply calling upon your daddy God, "My Father, my Father" and he flees when daddy God comes.

The enemy is under your feet because of what Jesus did on the cross, completely stripping him of his power. He is the devil's conqueror, binding him from the attacks against you. Remember the Lord because He remembers you.

Our problem is that we listen to the voice of the enemy who is the god of the world. Therefore, we always fall for his lies that brings fear, anxiety, worry and depression. Rather, we should listen to the voice of the good shepherd.

Jesus says we have one loving heavenly Father, and He bought the freedom for all who will look to Him. Defending you with freedom from this world. Those who doubt the Father's love, are those whose eyes are divided between the world and Father God. They are confused and James said don't expect to receive anything, because you are double minded (James 1:8).

Have one mind that is on Father God, the Kingdom, Jesus, Holy Spirit, the Word, His grace, His righteousness, His unconditional love, His fruits and gifts. Passionately, He is on your side throughout the drought, famine and earthquakes. God is with His people delivering them and enabling them to bring down the enemy by speaking about the life in Christ.

God is in control. Let him have the final say and let God decide. God will do drastic breakthrough, sudden shift and amazing glory manifesting in this nation of America and throughout the world, wherever you are living.

You are more important than presidential candidates, governors or attorney generals. They think they are important in this world because they have power over you. Rather, their power is limited to this world and can be turned around at any time but those with faith believe that God is in control, not man.

Rather, you are an Ambassador to God, you are His representative. Trust in God to deliver you from the enemy's shackles even if you have made mistakes. God will deliver you and turnaround the situation for those who acknowledge Him.

God clearly told me; He is remembering His children. I am remembering my sons and daughters. I am remembering! I am going to do extraordinary and marvelous things for you.

GOD REMEMBERED

Chapter Nine

He has remembered His lovingkindness and His faithfulness to the house of Israel; All the ends of the earth have seen the salvation of our God.

—Psalms 98:3

The Bible says God remembered Rachel. God remembered Hannah and she gave birth to Samuel a prophet to the nation. God remembered Hagar, who gave birth to Ishmael.

What did God remember? He remembered the prophecy, the promises that He gave. Today, He remembers the promises He gave Abraham, and you are the heir of Abraham. God's word is manifesting every day, it is manifesting whether you remember or not, God remembers. He is going to do and perform greater things.

Jesus is the manna from heaven, and we are to eat new manna every day. Old manna will never sustain us. The children of God must eat the manna of His word daily, the manna of His presence, with their eyes fixed on the heavens to bring to fulfillment of every prophecy God spoke to us, He remembers you and you will remember God.

Jesus said if you don't drink my blood and eat my flesh, you have no portion in me. This is the time for us to ponder on Jesus, the bread and the wine in remembrance of God. To remember that Jesus broke His body, that healed our own bodies and His blood poured out for the forgiveness of sins, the new covenant of God. Out of this remembrance comes the victory, the finished work on the cross.

The enemy is nullified and rendered powerless. His power has been stripped and his only strategy is to lie and distract the world with fear, anxiety and depression that everything seems hopeless. That's a lie, there is hope in God.

You have boldness, the moment the enemy knows you have the truth, none of his attacks will be able to make a dent in your armor. You are

clothed in the armor of God. That's why Jesus said you shall know the truth and truth will set you free. The enemy is blinding the eyes, even the church. The elected ones will be deceived because they listen to the enemy.

Some may say, I am doomed for condemnation and judgement. Jesus was judged in your place so you cannot be judged again. Jesus says, Beloved, you are my ambassador, you are my mouthpiece, you are my hands, and you are my feet. God says, you are the living and moving tabernacle, I trust you more than you trust me. I entrust you and I am giving you a mantle.

I saw a multi coloured mantle. Jacob gave it to Joseph. God is giving the same mantle, multi-fold ministries. There is a season in the past where people were only pastors, teachers, prophets or apostles. God is saying that this is a season, where there is a greater need.

I will give multiple mantles where people will call you with different names because there are mantles that are coming upon you. You will be doing an evangelistic ministry at the same a Prophetic ministry, healing, deliverance ministry and even reconciliation ministry to bring people close to God. Some will be involved in helping the needy, helpless and poor. You will be carrying multiple mantles.

Bible says, seek spiritual gifts and start with the gift of prophecy. God wants you to seek multiple mantles because wants to give you multiple mantles. Multiple callings and multiple mantles.

Elijah was a prophet, so was Elisha. David was a King; God wants us to carry multiple mantles. Imagine, some of you will be Kings and Prophets like Jesus, who is the King of Kings with a prophet anointing. In fact, Jesus carried all the mantles of apostle, prophet, evangelist, pastor and teacher.

Jesus said that he did multiple things, and you will do multiple and even greater things. You are no exception. This calling is coming to the earth, as the will of God is done on the earth waiting for His children to look heavenward.

Joseph was a dreamer and had the gift to interpret dreams, he was a visionary, and he became a prime minister or a governor. Daniel was also a

high official and he had dreams and visions. God is saying multiple mantles are coming upon you, so be ready.

God has given you a mantle and you need to keep your focus on the Lord, and He will bring that gift to fruition that will be used for your ministry calling. He will give you the power to get wealth for your daily living.

I also saw God is lifting many people who feel they are stuck in the mud. This is the second time I am getting this vision. I saw the vision of God picking people out of the mud. I saw a hot air balloon flying very high. Enemy tried to punch a hole into the hot air balloon and then I saw a supersonic jet in the balloon that picked that person up and flew away.

What God saying that He is giving the assurance of a steel enclosure, a supersonic jet and the enemy cannot touch you. From the mud to a hot air balloon and then to a supersonic jet on the horizon, beyond anyone's reach, beyond anyone's imaginations.

IMPRINT OF GOD

Chapter Ten

So God created man in his own image.
—Genesis 1:27

God is saying that He is quickening things, I am expediting things. The enemy cannot come towards you and no weapon formed against you will prosper. No witchcraft will prosper, and the enemy schemes are void. God is taking you to the next level of glory.

God loves you. Many of you are thinking God is not with you, but God is with you, intentionally telling you that He is with you. You are thinking you are in the mud, but God is saying, I am picking you out from the mud.

The more you know the truth, the truth will set you free. This is an amazing vision that God gave me. He is going to lift you up and build you up. He is going to elevate you to greater heights. You are already seated with Christ in heavenly realms.

So, this is the time and season where God will give you the consciousness to believe. I will never leave you or forsake you, God says and really means it. You will be practicing the presence of God.

Practicing His presence means every day you experience a tangible experience with Jesus, be conscious of Jesus 24/7 and know that He is with you wherever you go. Because Jesus said he will be with you till the end of time.

Another word that was given was “Imprint”. God says He will imprint the heaven’s agenda in your heart. I am going to imprint heaven’s purpose in your heart. I am going to imprint the heaven’s truth in your heart. I am going to imprint the Father’s love into your heart.

Holy Spirit is going to imprint the heartbeat of the Father into your heart. So that when your heart beats it will synchronize with the heartbeat of the Father and you will never doubt. You will be more than a conqueror and you will be victorious. You will move in faith and walk in the anointing.

You will raise up in boldness, you will completely trample on the serpent, thread on the cobras, and you will walk on the scorpions, and they will not hurt or harm you as you dwell in the shelter of the Most High and in the shadow of God.

You will completely rule and reign! I will raise you up in authority, in the boldness, tenacity, enrichment, complete clarity and clearness, seated with Christ operating from the heavenly realms bringing down all the enemy's schemes and plans under your feet. You will completely move forward and press on. The release of heaven is coming upon you. Wherever you go, it is more than authority. Authority is at the basic level. Glory is at the next level.

Whenever you praise God that leads you into worship. Worship brings us to experience the glory of God. The Bible says we will experience glory upon glory for those who continue to worship in spirit and in truth. With unveiled faces, we are called to experience the glory of God. The glory that Adam and Eve once lost, God restored it through Jesus. Today, still you do not see the glory. The reason is that it starts with praise that leads into worship.

Don't just praise God at worship in the Church, praise should be a way of life. Whenever you feel worry or anxiety say, "Praise the Lord" repeatedly until fear leaves. Why does fear leave? Because the demon fear cannot stay close to a person who is praising God.

He trembles and shudders when people shout praises to God, he must make a quick exit. However, notice that it is always difficult for you to say, "Praise the Lord", his finger is on your lip. Breakout and use your mouth and destroy the enemy with your praises.

The worship that saturates, tangibly leads you to the glory of God. Manifestation of God's glory. That's how Jesus walked; He manifested the glory of God. The Father said I glorify my Son and I will still glorify him. He will glorify you by His presence.

By His tangible presence, by His amazing glory and power that will flow through you. Why? Because your real life is in Christ, when He appears, you appear with Him and share in His power and glory (Colossians 3:4). Keep your mind on the things in heaven, not here on the earth.

God says He will do limitless things, I am God who is unlimited. I am a God who will do extra ordinary things. You are asking God with a limit, but God says He will do limitless things, numerous amounts of things.

When God said to Abraham look completely at the stars, your descendants will be as numerous as the stars in the sky, not a handful of stars. Neither not a handful of sands, but as the sands at the seashore. You cannot count all the stars or the sands in the seashore.

Why does God want to show you, there are no limits to what He can do? He wants you to believe in your full potential in the Kingdom and then it will be released on the earth. You will believe when you see the sign and wonders manifest. Jesus always followed with signs and wonders.

Even NASA cannot count the stars and they cannot finish. Human minds cannot fathom, because our God is a limitless God. God is doing endless possible things.

God says, If I can bless a 99-year-old Abraham to have 7.5 billion children and grandchildren today in 40 generations probably. How much more I can deal with your problems? Think for a moment. A 99-year-old man had a child, formed Israel and today we are all adopted into Israel as God's own children, and we are billions and billions. Hebrews and Romans says we are the heirs of Abraham.

THREE PART BEING

Chapter Eleven

But I say, walk by the Spirit, and you will not gratify the desires of the flesh. For the desires of the flesh are against the Spirit, and the desires of the Spirit are against the flesh, for these are opposed to each other, to keep you from doing the things you want to do.

—Galatians 5:16-17

We are also the fulfilment of God's promise. Whoever is reading this book, you are part of God's answer. Your life itself is glory, your life itself is a reflection of the promise that God gave Abraham.

Think about it, you are blessed by being born again. You are becoming a solution for what God really promised. You are becoming an answer for Abraham's prayers, promise and it's amazing to see.

Two months back God said I am going to recreate history. People who are waiting with barrenness, physical, spiritual, emotional barrenness, it is going away right now, barrenness is going away right now. Abraham lived with 25 years of barrenness, but God remembered Abraham and Sarah.

God is remembering you; the time is at hand. The 25 years of waiting is over, and God says, I am going to make it happen. I am a good God; I am a faithful God and I love you so much. Hallelujah!

God said I am not just going to recreate history, but I am going create a new history. I am a God of new beginning; I am a God who does new things. Yes, I will recreate something new like how I delivered David from the hands of the Philistines. God recreated the history. The same things God did through Elijah, God recreated Elisha with double the anointing. When Elijah split the river, then Elisha also split the river. When Elijah raised the dead, Elisha also raised more people from the dead.

Amazing, God did double things in Elisha's life, exactly double. When Elisha passed away, even his bones, carried the anointing, how much glory he carried. Today, we don't have any separation from God, how much glory we carry than Elisha, God is willing to give.

What is stopping us? It is our consciousness, focused on the wrong things. We are three part being, spirit, soul and body. God is spirit and anyone who worships Him must worship Him in spirit and in truth. God will connect your spirit; the actual work happened in your spirit and God saved your spirit.

Bible says be transformed by the renewal of your mind. What God deposited in your spirit, you are bringing it to your mind with the truth and the Word of God. With a deposit that God has deposited in your life and then it is manifested in your body.

That's why when people get saved, they may proclaim Jesus as their Lord and Saviour when they are moved by the Spirit of God, but they might not be fully changed that day but continue in the same old life and have the same old mind set.

The mind that has been renewed by the Word of God and by the Spirit of God is refreshed with God's ways and paths. You do not really drink from the same dirty coffee mug every day; you basically wash it. This is what renewal of the mind means, you are being washed every day with the Word and with the presence.

God is saying you need new coffee, you need a new substance, you need a new transformation daily, and your spirit is redeemed daily by eating new manna every day. Through the blood of Jesus, once and for all you're saved in your spirit. But the spirit still needs a renewal daily.

That's the way it is, either you are moving heavenward, or you are retreating into the life of hell, filled with worries. Without God, life on earth is a hell for many people, caught up in addictions, full of fear, anxiety and depression in the grips on the enemy.

Through renewal of the mind, you will be victorious, you will be a conqueror. You are seated with Christ in heavenly places, so be God conscious and not sin conscious or self-conscious. You need to have more of Jesus and less of yourself. Jesus must increase and you must decrease (John 3:30).

God has done and said it, now you need to make it a reality in your spirit-man, and it will manifest in your reality and in the physical realm.

Anyone, who is led by the spirit, there is no condemnation for those in Christ Jesus (Romans 8:1) you are not judged, and you are the sons and daughters of God those who are led by the Spirit (Romans 8:14). Remember, the word is "Led", you don't lead the Holy Spirit. This is a complete submission and trust in God.

So, you are allowing your spirit-man to instruct your mind which is your soul, and your body will follow. Addictions, fear and anxiety will fade away in His presence and it will be engulfed and overwhelmed by God. The process is inside out, not outside in.

Many a time we struggle because we don't feel the love of God in a physical and tangible way. But God loves you and has blessed you with every spiritual blessing in heavenly realms. The reason for this absent feeling of love from God is your soul and body are not sensitised to the Spirit of God. You may be having, anxiety, trust issues, sin issues, or caught up in the world. That's why the 24/7 communion with Jesus is important. Give God more time so that His Spirit can consume you.

The spiritual blessing will be transferred to the soul and then to the body by allowing the Spirit of God to advance in your soul life. Your soul and your body are being treated by God. The flesh will lose power to God's Spirit and surrender and at this time you will walk less in your flesh nature, sexual, alcohol and drugs.

I said less and not completely, you still need to take more territory away from the devil and give it to Jesus, who is there to help you. When you call Him, He comes with His army of fiery angels and chariots just waiting to dethrone the enemy in you and save you (Joel 2:32).

Continue to take territory from the flesh as you fix your eyes on Jesus, instead of on the temptations of sexual, alcohol, drugs, anxiety, and depression. Practice gazing at the Lord with heavenly music, instead of looking at your problems or addictions.

God wants to have priority in your life, He gives you the tools to praise, worship and to practice His presence as you have this tangible experience with God.

It's very important to understand that you are a three part being, spirit, soul and body similar to God the Father, God the Son, God the Holy Spirit. Your spirit is saved, and your soul is being renewed every day. Jesus died for all of us, spirit, soul and body.

On the day of your salvation, your spirit was saved, that basically reflects your salvation. On the day one of your salvation, your soul reflects only 10% saving and your body is 0% saved.

That's why on the day of their salvation, people will still go into their fleshly ways. The Bible says work out your salvation with fear and trembling (Philippians 12:2). The reason is that their body is not following the renewed mind. So, a lot of focus on God needs to happen before the body gets the message and toes the line.

The mind is not renewed because they never believed that spiritual blessings were deposited in the soul that God blessed in the spirit. Renewal starts in the mind, moves to the soul and then reflects in the body.

When the Spirit of God injects His presence into the soul and body, the body is subdued from every vice and fleshly desire. At this point the body is not in your control rather your spirit-man is in control of the body. You tell your body how to react and behave.

You do not listen to the body, rather the body listens to your spirit-man. The body, your flesh will kick and scream, but you must shush it down and tell “Be quiet”.

God says He loves you, but you do not know of God’s love, because your spirit-man is not sensitive to God’s Spirit. So, as you walk in the spirit, God’s presence of love will fall upon you, and you will sense a tangible love from God. The love of God is poured through the Holy Spirit (Romans 5:5).

He puts His love into your spirit, and your soul and mind can grasp that love. You will sense His presence with you, and you will feel the comfort of God and know that you are never alone, but in the embrace of God.

Always, see Father God, embracing you. The Father says, get me a robe, for my son and daughter, sandals for their feet, a ring to signify his sonship and her daughtership and a feast in their honour. You were once lost but now I have found you. You were once dead, but now you are alive.

In His embrace, you see the width, breadth and every dimension of love that will suddenly come and you will feel fully loved by God. For some tears may fall and you will notice the lightness in your spirit. Because all fear, anxiety, worry and depression has been taken by the Lord they disappear into His love (Presence).

God loves you fully and you will grasp the love of God and His faithfulness. You are seated with Father God in the heavenly realms equally because you are a co-heir. Jesus says, if anyone sees me, they will see the Father. If anyone sees you, they will see Jesus in you.

Jesus was Father-conscious. He said, I will not do anything except what my Father shows me. This is what God is doing in our spiritual life, He deposits spiritual fruits and gifts.

As your mind is renewed by tapping into what God deposited in your spirit, your body will follow through, Hallelujah! No desire for the world, but only desires for the Kingdom of God. God, Your Kingdom come and your will be done on earth as in heaven.

THE CALL

Chapter Twelve

“But be sure to fear the LORD and serve Him faithfully with all your heart; consider what great things He has done for you.”

—1 Samuel 12:24

That’s how missionaries went to places and countries to preach the Gospel of Jesus. The missionaries were not formed on the day one, they were first saved and went through a process of abiding in the

vine Jesus, with the instruction from Father God and through the power of the Holy Spirit.

Their mind was renewed and then the calling came with spiritual blessing, and they received it, like conception. Then the baby is delivered after a certain time of carrying and nurturing.

Every ministry, every good thing comes from the Father because He is a good Father. He deposits into your spirit and your mind is renewed. John prays, Beloved I pray that every way you may prosper, be in good health, just as your soul prospers (3 John 1:2).

Prosperity is not measured only in the terms of money. Prosperity is about the soul and walking in the destiny that God has prepared for you. Not every rich person has joy in them. Prosperity is about joy; prosperity is about happiness. In times of plenty or in times of lack, you must have joy, even if you are down to your last dollar, this is true joy.

Because you know your Father in heaven will never leave or forsake you, because the joy of the Lord is your strength (Nehemiah 8:10). This joy comes from the heavens, as we dwell in the presence of God who sits on His throne waiting to deposit His joy.

Beloved, if you feel you have no money and no prospects, do not worry about money. Rather, worry about the prosperity of your soul. God will always take care of you, abounding in everything you need, with joy, wellness, happiness and goodness and you will be able to fulfil the assignment God has given you.

In fact, you are richer than the richest man on this earth who forsakes God walking in boldness as your feet touch the ground which is holy. Wherever you go, you walk on Holy Ground, because of the presence of God in you. Be holy because I am holy (1 Peter 1:16).

Walk in boldness, raised above in authority and in everything God intended you to finish. Paul could say I finished my race, I did what the Father had for me, and I lived a prosperous life, in the purposes of God. God met all my needs according to His glorious riches in heaven (Philippians 4:19).

God is downloading spiritual blessings, out pouring the spiritual blessings upon His children, to everyone who is reading this book.

God does not look at our status such as Pastors or Bishops. Rather, His favourites are those who have their eyes on Him and walk with Him hand in hand, allowing Him to be at the ship wheel of your life.

He wants you to increase your consciousness of Him so that He can direct your life into His purposes. He wants to recreate history through you. It is an amazing thing.

Today, God told me to tell you to cancel every negative word that they spoke against you. They might have called you names, called you lazy said you are not good, you will always be a loser, or they might have shamed you in many areas.

We believe all these negative words and so they sink into our soul and spirit-man, because we do not know our identity in God. The people who used these negative words are themselves negative and are used by the devil to deliver negative messages to you.

Yes, we are stupid to listen to the instrument of the devil. We need to deflect all this negativity and look at our God who is positive, because He wants only the best for us.

Therefore, it is important to know how God looks at us. When He sees us, He sees a masterpiece that He made for greatness. When the woman was caught in adultery, Jesus wanted to have the final say, He had a new beginning for her. "Is there anyone else here to condemn you, neither do I".

That's why it's not about our adultery, fornication, drunkenness, addiction to substances, gambling or pornography addiction. It's about Jesus. If you can understand that it is about Jesus and not you, then you will have your breakthrough in how you govern yourself.

You can sow nothing into nothing, and you will get nothing. If you sow into useless activities, watching endless days of TV shows, movies, gaming, Facebook, YouTube then you will reap nothing but emptiness.

Sow something into Jesus and you will reap deliverance from sin, addictions, freedom and liberty from this world and move into the Kingdom. You will no longer be a slave to the world and its enticements.

Yes, you will be tempted, and you will fall. The key, it to get up every time you fall and gaze at Jesus who sits on the throne in the heavens. Eventually, the sin and addictions lose power to Jesus. Even if you have failed numerous times at business, career, just get up and look to God.

You must submit to His will and His plan. God sees all things and He is a better at the ship wheel. Even if you are in debt, trust in God to be delivered from all those debts. In the words of King Jehoshaphat “I do not know what to do but my eyes are on you” (2 Chronicles 20:12). Make this your mantra every day.

Today, rip off every label that the enemy labelled you. You are the bride of Christ. You are the righteousness of God in Christ Jesus. You are deeply loved and highly favoured. You are clothed with royalty, filled with abundance, flowing with prosperity, enriched with the goodness and equipped for every good work.

The abounding goodness of God is on you. You are on heavens agenda and deeply loved by God and the angels. We are called to keep heaven in our heart, mind and soul. Heaven wants to connect to you. God has remembered you and now you must remember God.

LION'S SKIN

Chapter Thirteen

My soul is among lions; I must lie among those who breathe forth fire, Even the sons of men, whose teeth are spears and arrows and their tongue a sharp sword.

—Psalms 57:4

God told me to tell you, I am giving you the lion's skin, I am having a lion's skin, even I have not heard about it. But God showed the skin of the lion and Jesus is the Lion of Judah. I am giving a lion's skin to everyone who really believes and receives it by faith today.

The lion's skin is thick. Although the lions fight many battles, you won't see a lot of scars on the lion. The lion's enemy will not be able to hurt the lion because the lion has a thick skin and is very powerful. Jesus said I am giving a very thick skin to my children to endure anything the world is throwing at them.

You will be more than a conqueror because you have the heaven's angels fighting for you. You will defeat and subdue every scheme and plan of the enemy. You will become spotless and blameless because of my skin that I am giving you. You are clothed with my skin. They ripped off my skin at the cross. I am clothing you with my skin. This is the revelation that Jesus gave me.

In the Garden of Eden, God took an animal's skin and clothed Adam and Eve. Today, Father God allowed Jesus' skin to be ripped off, the lion's skin. The skin of the Lion of Judah is clothed upon you. Hallelujah! What love, what glory. Do not allow the enemy to deceive you. You are clothed with Jesus' skin. This is the truth of God that will make you grow from one level of glory to the next level of glory.

Cancel every word that the people spoke against you. Rebuke it and yield to the Spirit of God and allow the Spirit to yield and guide you. Believe in these prophetic words and deny all the lies of the devil, for he is the father of lies (John 8:44).

God said He will silence every intimidation and insult that is targeting you and marking you. He is going to subdue and break every shaming and intimidation spirit. David went through shaming moments in his life but God delivered David from all of his shame and blessed him with riches and a long life.

God says, I am going to bring forth the deliverance and breakthrough in your life. I am going to lift your head up; you will be the head and not the tail. I am going to elevate you to greater heights. You will be blessed to be a blessing.

You will be a ruler and reigner. You are seated with me in heavenly places. You have heaven's agenda. You have heaven's keys. You have heaven's resources. You have heavenly angels to back you up. Fiery angels are coming to fight the battle for you. Hallelujah! What a glorious God we serve.

Rain is still pouring out and God is going to down pour such a blessing in your life, the deliverance is the children's bread. That's why God is showing the manna is falling all over the place. God is saying I am going to bring forth the manna in your life. Bread and honey are going to flow. Bread, vine and oil all are going to flow nonstop, starting today.

God is bringing a deliverance. You will eat in plenty, and you will be well fed. God is going to enrich your soul, equip your soul and bless your soul. Hallelujah! He loves you so much and He cares for those who are called to His purposes.

The enemy is trying to act against the world and the nations. Don't look at the crisis in the world, these things must happen for the fulfilment of God's plan and purpose for His end time goal. People of faith, do not doubt but believe and wait for the promises, because God remembers!

BOLD AND COURAGEOUS

Chapter Fourteen

Be strong and courageous. Do not be afraid or terrified because of them, for the LORD your God goes with

you; he will never leave you nor forsake you.”

—Deuteronomy 31:6

B

e bold and courageous. Know that God is on your side. Who can be against you? said Paul. No one can be against, what can man do to you?

Man cannot do anything for you. Don't look to man for your breakthrough, look to God. God is giving a breakthrough. Don't listen to the enemy's lies, he is powerless and is defeated on the Cross of Calvary.

God is setting you free from the rage. Rage only happens in your mind, so even before being angry, gaze at Jesus, “Yes, literally gaze into the heavens where Jesus is sitting on His throne”. There is a power when we gaze at Jesus.

Jesus will deliver you from anger and wrath. Eventually you will have no rage, because you did not listen to the lies to cause that anger and rage. Learn to trust in Jesus, that He is in complete control of your situation.

God is delivering you and completely setting you free from every demon that is trying to manipulate your life and He is completely giving you Shalom peace. God is going to break every manipulating spirit and every spirit of Jezebel that always tries to control.

Are you surrounded by such a spirit of Jezebel? God is going to deliver you from such a spirit. These are small strongholds but there are bigger strongholds, that is what we see in the pandemic and God is not the author of these pandemics or crisis that this world is going through.

The Bible says, “Arise and shine for your light has come”. This is the moment for God's light to shine through you. Where two of three agree, there is a great power. As many people who read this book agree, a tremendous amount of power will be release through them.

There is power in agreement. There is power when you work together God's people are called to work together.

Demons also work together. Fear that comes from the fear demon can also work with the anger demon. Fear results in anger. Do you know when people get angry? They get fearful about something, and then they get angry about it. There are two demons, fear demon and the demon of anger.

They work in partnership to make someone feel miserable. They feel less of God in them, because anger blocks God's Spirit. You can never feel God and anger at the same time. That's why the demons work double time to keep people from experiencing God's presence.

God is also working double time. Your attention must be on God, not the issue that is making you fearful or angry. God also works to bring people together. God gives people multiple gifts and multiple mantles. God also brings his angelic host and the Holy Spirit to work together with you.

Enemy is just a copycat; he copies what God does. He is the counterfeit, he has no original ideas, he copies and imitates. When someone does not know the truth, he is able make use of that person.

But when you know the truth, the enemy cannot have a foothold in you. Don't have loopholes of anger, fear, and lust. Rather cover all loopholes with faith. Fix your eyes on Jesus who authors your faith and eventually He perfects your faith. True faith comes from Jesus, with your eyes on Him.

That's why it is important to know the truth of what God wants to do in you, so that He can set you free. It is important to keep the truth in your heart. Read this short book several times and let it sink into your heart, soul and mind.

The enemy will always use your past mistakes and experiences to keep you in bondage. He brings the lies to your mind but keep your mind in the truth of God. God must have more place in your mind and allow truth to travel to your heart that connects to you soul through the Holy Spirit.

More of God and less of you. For you have died and your life is hidden with Christ in God. Jesus is hiding you in the shadow of God from the enemy and he can't find you. God is holding your hand, so do not be afraid.

You will become familiar with God's fire and presence. Even as you hold this book, you will feel the heat. Some of you are feeling this warmth right now. You will sense the manifestation of God's power of heat in your fingers. The Holy Spirit will accompany you. There will be a gentle breeze of slow burning heat rising from your hands to your arms and moving to the back of your head and then all the way down to your spine.

You will be able to speak, and power will go forth. Lay hands on the people whom God has put in your radar. See the manifestation of God's power rise up in that person you are praying for, and the demons will flee.

Many of you have self-pity. You may not have a job for a long time, or your job is too difficult. You may not have a baby or everything you want to do is not really happening, so you are in self-pity. This is a demon of self-pity. God is breaking the spirit of self-pity and He is liberating you into prosperity and blessing. God is going to start a new cycle in you. Believe and receive this. Hallelujah, thank you Jesus. Meditate on the word "Trust".

Be thankful for today and tomorrow because He has great plans for those who trust and who are thankful in all circumstances in union with the Christ.

God is breaking the spirit of sickness and infirmity. Two different spirits. Today God is breaking the spirit of sickness in your life. Some people get sick every flu season. You get what you expect, rather deny all sickness. Don't talk about sickness, rather talk about God.

Some people fear everything, they fear it will come to them. Including virus, so the spirit of fear is broken right now. God is breaking the spirit of infirmity. Every time you are weak and always feeling so weak and tired. Be energised with God, jump up and down and shake of all tiredness.

God is breaking the spirit of timidity. God has not given us a spirit of timidity, but of love, power and a sound mind. Today God is bringing you sound mind, again the renewal of the mind. He has given you a sound mind, so that whatever God has deposited in your spirit, you perceive it in your mind. You will have prophetic dreams.

ENEMY IS CROUCHING

Chapter Fifteen

If you had done the right thing, you would be smiling; but because you have done evil, sin is crouching at your door. It wants to rule you, but you must overcome it.”

—Genesis 4:7

T

he enemy is always looking to destroy the children of God. The enemy is always crouching at our door, and he wants to rule us by bringing us down into sin. God wants us to overcome sin.

The only person who should rule us is the Father, the Son and the Holy Spirit. They are the legitimate Kingdom rulers. God wants His Kingdom to be enthroned on earth and His will to be established on earth. He wants to rule your spirit, soul and mind.

The enemy wants to separate you from God, and he normally leads people into addiction, fear, anxiety and depression. You have to master

over the enemy, and this happens when Jesus becomes your master. Jesus must rule you.

God gave you power over the enemy, this power comes from your unity with Jesus. It is so simple. Let Jesus be the master of your life and sin will not be the master over your life.

The Father wants to embrace you because in His presence you are safe and secure, and the enemy cannot touch you. The embrace of the Father is better than the embrace of sin.

The enemy wanted David to think that he did so many things and that God was abandoning him. But David always trusted in God, even when Saul was after him.

Some of you are thinking that you did all things right, but you are still suffering. But your suffering is coming to an end and God is going to elevate and bless you. Jesus said, in this world you will suffer, but be of good cheer for I have overcome the world (John 16:33).

It is Jesus who overcomes our suffering by giving us His peace. The time of suffering is coming to an end. When we are united with Jesus, there is an exchange, He takes our suffering, and He gives us His peace.

Some of you have been completely rejected and you lost everything. You lost your life, relationships, family or children. Jesus is saying today, I am your family, and I am your everything, depend on me. I will restore everything back to you. I will give you a second chance.

If you have lost your business or feel rejected because of your failures, be of good cheer. Jesus is here to comfort you, console you and carry you through. He will bring you to greater heights of spirituality and manifest the restoration in all things in the physical realm.

God says, I am bringing you the spirit of upliftment. I will uplift you and do a new thing. I am bringing you a new beginning. The Bible says sing a new song, every time you go into the presence of God. See God as new, see the new aspect of God. Gaze upon the beauty of God and the new dimension of God. God is giving a new song, sing a new song unto the Lord.

Every time you tap into the new level of glory, you can write a new song. You say, “I don’t even know how to sing, or play an instrument, how can I write a song”?

God will speak to every one of us. The Father is speaking, Heaven is speaking, the question is are you are listening? Tune in and you will hear a new song to be written. We will see God in a new dimension and a new perspective.

God is indwelling in us; He is tabernacled in us and He wants to display His glory. He wants to manifest His glory through you. God is cleansing some of your consciousness today. Some of you are having a guilty consciousness.

You are thinking of your old past sin or past transgression or past wickedness, or past habits, or past mistakes or failures that you went through intentionally. God is cleansing your conscience right now. The blood of Jesus is doing the work now.

The Spirit of God is gripping your heart and completely cleansing you from the dead consciousness, sin consciousness, condemnation consciousness, curse consciousness and consequence consciousness.

Be conscious of Jesus and the heavens. Let them take over and all the negative consciousness will die as Jesus becomes bigger.

The moment, Christ died on the cross, He redeemed you from all your sins, mistakes and failures. You did not know that until you met Jesus in your prayer time because you have already been forgiven. You did not know until you tarried with the Lord in His presence.

In His presence, He wipes away your memory and gives you a clean new heart, free from all past mistakes and burdens.

A lot of wrong consciousness are hindering us from receiving the destiny of God. God is cleansing you; he says the old is gone and you have a new beginning. God is asking, I am ready, are you ready?

The eyes of the lord are moving to and fro on the earth looking for people with a perfect heart, whose heart is inclined toward him. Then God will use that person to be His ambassador in that place and locality to be used by God.

Just two days back 39 children who were kidnapped were rescued in Atlanta Georgia, the place where I live. Wherever you are, you are releasing the light of God in every place. God is going to expose the darkness; God is to manifest His glory. God will restore those in captivity.

The chains will be broken and there is an anointing that you are bringing that is making the enemy paralyzed. He cannot operate freely when you walk in authority and boldness. When you go into one street, the demons in the next street will run away from that place.

You have a covenant and that's what God has called you to do, to destroy the work of the devil, through your faith in Jesus. The enemy is deceiving the world by telling the people, your God is punishing you with this pandemic.

The virus came from the enemy, he comes to kill, steal and destroy. But God has given us the authority to cancel all virus, no evil or plague will come against us because the Lord has given His angels charge to guard us in all our ways.

God is saying, I died for the Church, and I have come for the bride of the Church. I love you! You are the Church.

Whatever is pure, whatever is lovely, if it is of good report, meditate on these things. Your mind is always contemplating the love of God, the power of God, the grace of God, the glory of God, the wisdom of God, the Oracles of God and the destiny of God.

The Jews are constantly remembering what God did for their forefathers, so that God will recreate the history or do something new. God is always doing it.

NEW ENVIRONMENT

Chapter Sixteen

Then I saw a new heaven and a new earth, for the first heaven and the first earth had passed away, and the sea was no more.

—Revelation 21:1

G

od is giving you a new environment and new destiny partners. God is recycling the old environment and the circumstances and toxic things are moving away. God is bringing a new level of elevation.

God is giving a new cycle, a new destiny and a new environment. God is recycling so expect sudden shift in your life. Some are going to move from one state to another state. God is moving people all around for a good purpose.

Many of you are already in a good place, every place is a good place when you are in the right place. Doesn't matter where you are, every place is a good place. You are in the place that God wants you to be. If you are not in the place where God wants you, God will move you. Hallelujah!

We break the demon of poverty, the enemy's schemes, the mentality of poverty, always living in poverty, always living in stinginess, living in negative balances, living in credit card debts or always expecting someone

to help. God is breaking the pattern and saying I am your Father, and you are not an Orphan.

I break the spirit of poverty. I break the spirit of generational curses. I want you to be liberated from this poverty mentality, this negative mindset, these negative balances, the bouncing of checks, credit cards maxing out or always depending on credit cards.

God says, you are going to be a giver. I'm going to abound in you. I am going to bless you, increase your territory and expand your boundaries. I am going to produce multiple streams of income. I will make a way for you to be blessed to be a blessing.

You are my beloved and you cannot beg for food because God's word says, the righteous will never beg for food. Today, you are righteous through the blood of Jesus. You will never beg for food. You will never be expecting calls from any banks for payments anymore.

You will be provided by the work of your hands. God is blessing the work of your hands. God is also giving supernatural blessings for His Kingdom glory and Kingdom destiny.

Be ready and expect greater things. Break free from the spirit of poverty. Hallelujah! Thank you, Jesus! How do you break free? By believing that God will supply all your needs according to His riches and glory.

Jesus finished it all and He deposited every blessing in your spirit. He redeemed you and blessed you.

In Hebrews, once for all is mentioned several times, it means your spirit is in a perfect shape. So now the circumstances of our lives and our bodies need to get in line with this perfection that is in Jesus.

This comes by renewing our minds, being master over our bodies and by making Jesus the master in our lives. Sin and poverty must not be the master. God wants us to meditate on His word, day and night and whatever we put our hands to, we will prosper.

We start by looking to the Kingdom, living in the Kingdom and waiting for fulfilment of God's promises, like David who had no home for thirteen years, but his home was in God.

Today, we must be living in God's presence. The end goal of God is that He wants us to have renewed mind and then he moves us to our destiny in Him and we will be supplied with everything we need to accomplish this purpose of God.

It looks like a slow growth, but it is a strong growth as you grow your roots deep in Jesus. You will be moved into a new environment, the Kingdom of Heavens, where all the spiritual and physical blessing are waiting to be sent down by the angels. Hallelujah!

Remember, it starts in the Kingdom, your new and eternal environment.

AUTHOR AND TESTIMONY

Albert Milton is proclaiming the Gospel of Love, Grace and Hope in Jesus through social media and traveling to churches across United States & other countries.

At the age of 13, I had a serious problem. I started talking with a feeble voice so wherever I went people made fun of me. My feeble voice sounded like a female voice. I tried to isolate myself from the rest of the world. Doctors gave up, my parents gave up and everyone gave up.

Couple of times I even tried to commit suicide. I thought there was no hope. Five years passed; I reached the age of 18. I had a Bible in my hand and as I was reading the Bible, I saw Jesus did a lot of miracles which is recorded in the Bible.

He asked, do you believe I can do this for you? Everyone who said yes, received a healing from Jesus and their life was transformed like never before. One day I told Jesus, I truly believe. Everything written about in the Bible is so true. Will you heal me from this sickness or disease in my throat?

The moment when I asked Jesus, for the first time in my life, instantaneously, I started speaking with the male voice that I am speaking to you now. Jesus healed me immediately. Hallelujah!!
